Love and Friendship and Other Early Works Jane Austen, 2020-10-28 Love and Friendship and Other Early Works By Jane Austen Love and Friendship Freindship sic is a juvenile story by Jane Austen dated 1790 From the age of eleven until she was eighteen Jane Austen wrote her tales in three notebooks The notebooks still exist one in the Bodleian Library the other two in the British Museum They include among others Love and Freindship written when Jane was fourteen and The History of England when she was fifteen Written in

epistolary form like her later unpublished novella *Lady Susan* and *Freindship* is thought to be one of the tales she wrote for the amusement of her family it was dedicated to her cousin Eliza de Feuillide La Comtesse de Feuillide The instalments written as letters from the heroine Laura to Marianne the daughter of her friend Isabel may have come about as nightly readings by the young Jane in the Austen home Love and Freindship the misspelling is one of many in the story is clearly a parody of romantic novels Austen read as a child This is clear even from the subtitle *Deceived in Freindship and Betrayed in Love* which completely undercuts the title In form it resembles a fairy tale as much as anything else featuring wild coincidences and turns of fortune but Austen is determined to lampoon the conventions of romantic stories right down to the utter failure of romantic fainting spells which always turn out badly for the female characters In this story one can see the development of Austen's sharp wit and disdain for romantic sensibility so characteristic of her later novels

Sense and Sensibility by Jane Austen Jane Austen, 2021-05-17 Young women who have no economic or political power must attend to the serious business of contriving material security Jane Austen's sardonic humour lays bare the stratagems the hypocrisy and the poignancy inherent in the struggle of two very different sisters to achieve respectability *Sense and Sensibility* is a delightful comedy of manners in which the sisters Elinor and Marianne represent these two qualities Elinor's character is one of Augustan detachment while Marianne a fervent disciple of the Romantic Age learns to curb her passionate nature in the interests of survival This book the first of Austen's novels to be published remains as fresh a cautionary tale today as it ever was

Love and Friendship Jane Austen, 2010-10-18 *Love and Friendship* is a hilarious send up of the novels of the 18th century The story is told in the form of series of letters from the heroine Laura to Marianne the daughter of her friend Isabel relating the story of her turbulent life in her youth *Love and Friendship* is extremely funny and wonderfully parodies all the conventions of the popular fiction of the 18th century elopements long lost relatives heart breaks and dramatic deaths

Northanger Abbey Jane Austen, 2006 One of the first of Jane Austen's novels to be written and one of the last to be published *Northanger Abbey* is both an amusing story of how a naive girl enters society and wins the affection of a witty young clergyman and a high spirited parody of the lurid gothic novels that were popular during Austen's youth In the process it features a vivid account of social life in the late eighteenth century Bath and Austen's famous defence of the novel as a literary form This edition based on the text of the novel as published posthumously in 1818 is accompanied by explanatory notes and an appendix summarizing the plots and situations of the gothic fictions that form the basis of much of Austen's comedy In addition there is an extensive introduction covering the context publication and critical history of the novel a chronology of Austen's life and authoritative textual apparatus Book jacket
