## **Les Eacuteglises Apregraves Vatican II:**

**Vatican II** Matthew L Lamb,Matthew Levering,2008-04-30 In Vatican II Renewal Within Tradition an international team of theologians challenges the standard view of the Council as causing a rupture with earlier Catholic teaching Examining each document issued they argue that The Council was indeed putting forth a vision for the future of the Church but that vision was grounded in two millennia of tradition Taken together these essays demonstrate that Vatican II s documents are a development from an established antecedent in the Roman Catholic Church Each chapter contextualizes Vatican II teachings within that rich tradition **The Reception of Vatican II** Giuseppe Alberigo,Jean-Pierre Jossua,Joseph A. Komonchak,1987

**Vatican II** Norman Tanner,2012-09-04 By encouraging engagement with the modern world and a refocusing of traditional teaching the Second Vatican Council brought new life into the practice of Catholicism The council s impact on the Church is still playing out today and with many current church issues finding their roots in differing interpretations of Vatican II it has never lost relevance Vatican II The Essential Texts brings together the key documents of the council As the council is commemorated on its 50th Anniversary readers will be returning to these source materials to understand the Church s developing positions on its relationship with the secular world and other religions the role of lay people human rights and the common good the liturgy and other still highly relevant issues In addition to the introductions from Pope Benedict and James Carroll the documents will also be accompanied by brief historical prefaces from Professor Edward Hahnenberg *Theological Highlights of Vatican II* Pope Benedict XVI,2009 Joseph Ratzinger s report on the debates and struggles that made up each of the four sessions of Vatican II 1962 65 along with theological commentary **History of Vatican II** Giuseppe Alberigo,Joseph A. Komonchak,1995 This fourth volume of the History of Vatican II reconstructs the work of the Council during the third session which was to produce two of the most significant conciliar texts the Dogmatic Constitution on the Church and the Decree on Ecumenism As with previous volumes an international team of scholars tracks the daily progress of the assembly and its numerous assisting bodies Using sources from all the Council s groups as well as an unprecedented acquisition of previously unpublished documents they provide the reader with a rich multidimensional knowledge of the event that more than any other shaped the Roman Catholic Church The enthusiasm of the two previous sessions had given way to a greater awareness of the vastness of the conciliar task The general desire on the part of the bishops to conclude the Council with this third session added to the pressure from many sides to produce significant results The agenda thus included many complex issues in various schemas and none surrounded by more tension than the question of collegiality which was the source of passionate debate in the previous session **Vatican II** Anthony Ciorra,Anthony J. Ciorra,Michael W. Higgins,2012 Here is a collection of papers that were presented at a conference Vatican II A Universal Call to Holiness sponsored by Paulist Press and Sacred Heart University Fairfield Connecticut Seven of the presentations are based on the seven speeches given by several cardinals at the conclusion of the council on December 8 1965 The conference

was not a critique of the council documents but rather creative ways in which the energy of the council can be marshaled in establishing the agenda and needs of the twenty first century The presenters and their topics Anthony Ciorra Introduction Michael W Higgins Afterword Holiness in the Future Holiness as Future Massimo Faggioli Keynote The Vision of the Second Vatican Council R Scott Appleby To Rulers Nancy A Dallavalle to Workers Sarah L Heiman and Peter Denio To Youth Roberto Goizueta To the Poor the Sick and the Suffering John Haught To Men and Women of Science Diana Hayes To Women Fr Michael Himes To Artists

**Church Renewed** George P. Schnier, George Peter Schnier, 1986-09-05 Heiden und Christen im 5. Jahrhundert Mathijs Lamberigts, Leo Kenis, 2002 Vatican II created an experimental space to be employed by a variety of different domains The council led in addition to a new understanding of the church namely that of a church in the service of the world

**An Introduction to Vatican II as an Ongoing Theological Event** Matthew Levering, 2017 Contemporary scholars often refer to the event of Vatican II but what kind of an event was it In this first book of the new CUA Press series *Sacra Doctrina* Matthew Levering leads his readers to see the Council as a theological event a period of confirming and continuing God's self revelation in Christ into a new historical era for the Church This is an introduction to Vatican II with a detailed summary of each of its four central documents the dogmatic constitutions followed by explanations of how to interpret them In contrast to other introductions which pay little attention to the theological soil in which the documents of Vatican II germinated Levering offers a reading of each conciliar Constitution in light of a key theological author from the era Ren Latourelle SJ for *Dei Verbum* persons and propositions Louis Bouyer CO for *Sacrosanctum Concilium* active participation Yves Congar OP for *Lumen Gentium* true and false reform and Henri de Lubac SJ for *Gaudium et Spes* nature and grace This theological event is ongoing Levering demonstrates by tracing in each chapter the theological debates that have stretched from the close of the council till the present and the difficulties the Church continues to encounter in encouraging an ever deeper participation in Jesus Christ on the part of all believers In this light the book's final chapter compares the historicist Massimo Faggioli and Christological Robert Imbelli interpretations of Vatican II arguing that historicism can undermine the Council's fundamental desire for a reform and renewal rooted in Christ The conclusion addresses the concerns about secularization and loss of faith raised after the Council by Henri de Lubac Joseph Ratzinger and Yves Congar arguing that contemporary Vatican II scholarship needs to take these concerns more seriously
