Two cubs are on either side of it, one looking towards the camera and the other looking away. The rocks are dark and jagged, and the water is a deep blue-green color. W., 1719 Brazilian Telenovelas and the Myth of Racial Democracy Samantha Nogueira Joyce, 2012-04-01 Brazilian Telenovelas and the Myth of Racial Democracy by Samantha Nogueira Joyce examines what happens when a telenovela directly addresses matters of race and racism in contemporary Brazil This investigation provides a traditional textual analysis of *Duas Caras* 2007 2008 a watershed telenovela for two main reasons It was the first of its kind to present audiences with an Afro Brazilian as the main hero openly addressing race matters through plot and dialogue Additionally for the first time in the history of Brazilian television the author of *Duas Caras* kept a web blog where he discussed the public s reactions to the storylines media discussions pertaining to the characters and plot and directly engaged with fans and critics of the program Joyce combines her investigation of *Duas Caras* with a study of related media in order to demonstrate how the program introduced novel ideas about race and also offered a forum where varying perspectives on race class and racial relations in Brazil could be discussed Brazilian Telenovelas is not a reception study in the traditional sense it is not a story of entertainment education in the strict sense and it is not solely a textual analysis Instead Joyce s text is a study of the social milieu that the telenovela and especially *Duas Caras* navigates one that is a component of a contemporary progressive social movement in Brazil and one that views the text as being located in social interactions As such this book reveals how telenovelas contribute to social change in a way that has not been fully explored in previous scholarship Stempenyu Sholem Aleichem, 1913 *The English Catalogue of Books*, 1891 *The Church Quarterly Review*, 1924 **The Bookseller**, 1883 Official organ of the
