

The setting of this enchanted story is in a West Country village, a hundred years ago. Maria, the heroine, has goodness and her day go to live in the old and rather mysterious Manorhouse of Monmore, and Maria's encounters with jinn, gnomes, fairies, delightful people, with the elusive Little White Horse, and the wicked Black Man of the woods are told in the refreshingly imaginative manner which has come to spring from the well of Green Dragon Cottage and Thimble's House.
