Cancer, I'll Give You One Year Jennifer Spiegel, 2020-01-21 *Cancer I'll Give You One Year* A Non Informative Guide To Breast Cancer A Writer's Memoir In Almost Real Time is not about eating kale The book is 100 percent narrative nonfiction

and 0 percent self help It was actually written for the author s children in case she died This sounds morbid but maybe pointed and candid are better words Embracing candor as an aesthetic this real time story hits upon the sacred the profane a trip to Epcot a colonoscopy her kids responses to everything and O J Simpson s parole hearing Writing centric voice driven and conscious of a death sentence no diets or exercises are offered but the author may give horrible parenting advice It s undoubtedly funny but also a meditation on meaning Pampered to Death Laura Levine,2011-10-24 When freelance writer Jaine Austen is surprised with an her luxe spa getaway she and her feline pal Prozac are eager to hit the road and bask in a week of pampering and pedicures But what she gets is a California fat farm in disguise complete with celery juice cocktails humiliating weigh ins and a zero tolerance position on carbs Among her bulge battling companions is Mallory Francis a B list movie star with a knack for making frenemies When she s found strangled during a seaweed wrap gone awry Jaine is hard pressed to think of anyone who couldn t have done it While the suspects mount faster than her hunger pangs Jaine s search for truth justice and contraband calories leads her straight to a cold blooded killer where murder may be on the menu once again Her books are so outrageously funny they always make me laugh out loud Joanne Fluke Praise for Laura Levine s Jaine Austen series Delightful Jaine s wit shines throughout Publishers Weekly on Pampered to Death If you love a good mystery this book is for you New York Journal of Books on Death of a Trophy Wife This will turn out to be a long series likely to be compared to Janet Evanovich for its humor I Love a Mystery on This Pen for Hire **Primates of Park Avenue** Wednesday Martin,2016-05-31 Like an urban Dian Fossey Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe After marrying a man from the Upper East Side and moving to the neighborhood Wednesday Martin struggled to fit in Drawing on her background in anthropology and primatology she tried looking at her new world through that lens and suddenly things fell into place She understood the other mothers snobbiness at school drop off when she compared them to olive baboons Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop And so she analyzed tribal migration patterns display rituals physical adornment mutilation and mating practices extra pair copulation and more Her conclusions are smart thought provoking and hilariously unexpected Every city has its Upper East Side and in Wednesday s memoir readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them They will also see that Upper East Side mothers want the same things for their children that all mothers want safety happiness and success and not even sky high penthouses and chauffeured SUVs can protect this ecologically released tribe from the universal experiences of anxiety and loss When Wednesday s life turns upside down she learns how deep the bonds of female friendship really are Intelligent funny and heartfelt Primates of Park Avenue lifts a veil on a secret elite world within a world the exotic fascinating and strangely familiar culture of privileged Manhattan motherhood **Klonopin Withdrawal & Howling Dogs: Maybe it was**

God Audrey Anne Wagner,2014-10-03 At age 28 I tapered off Klonopin the tranquilizer I d taken for 14 months Unable to sleep and days away from my last dose I moved in with my parents and their nine pets in California Mom thought she could heal me with raw food and holistic clinic trips Family members tried to get me back on drugs I was losing the faith that had been introduced to my family through unusual circumstances My parents planned a cross country move and I didn t believe I d be alive to make the trip This is my story The Gilded Razor Sam Lansky,2016-01-12 By the age of seventeen Sam Lansky was an all star student with Ivy League aspirations in his final year at an elite New York City prep school But a nasty addiction to prescription pills spiraled rapidly out of control compounded by a string of reckless affairs with older men leaving his bright future in jeopardy After a terrifying overdose he tried to straighten out Yet as he journeyed from the glittering streets of Manhattan to a wilderness boot camp in Utah to a psych ward in New Orleans he only found more opportunities to create chaos until finally he began to face himself **Memoirs of an Addicted Brain** Marc Lewis,2012-01-25 A gripping triumphant memoir about the power of addiction and its effect on the brain Marc Lewis knows addiction that desperate ambition to get high accompanied him around the world for many years In the 1960s Lewis was a teenager in boarding school experimenting with cough syrup and alcohol to assuage his depression When he moved to Berkeley California the pulsing heart of the counter cultural movement he began using LSD and heroin His spiralling journey of addiction eventually led him to Asia where he sniffed nitrous oxide in the Malay jungle took speed in Kuala Lumpur and lost himself in the opium dens of Calcutta This was the beginning of his descent into a moonlit world of crime poverty and desperation Returning to Toronto Lewis lived a double life by day he was a psychology student and by night he stole from homes and laboratories to get high Thirty four years on Lewis is a neuroscientist and he studies the brains of troubled children But he never forgets that he was once one of those kids and that no matter how many scientific conferences he attends he always will be In this mesmerising memoir Lewis recounts his relationship with drugs from the inside out giving a revelatory analysis of the chemical changes in his brain that sustained his addiction This is not just the story of a man who found his calling while fighting a habit that crossed continents and brought him in contact with the wilder edges of life It is also a penetrating powerful analysis of addiction offering a fascinating insight into the human brain and what drives it to self destruction A picture of addiction as an unavoidable urge of human nature It s the way Lewis drapes his scientific understanding of human chemical function over the frame of his own life that makes his memoir compelling THE GLOBE AND MAIL A fascinating glimpse into the world of needles and need GEORGIA STRAIGHT
