Motivation A Memoir Of A Truly Happy Thirty Year Old:

Motivation Riley Burnham, 2014-11-24 A hand written memoir by someone on the brink of 30 Explores drug use creativity depth of soul character finding oneself and growing past the trauma to an exceedingly pleasant positive life The Happiness of Pursuit Chris Guillebeau, 2014-09-09 A remarkable guide to the quests that give our lives meaning and how to find your own from the New York Times bestselling author of The 100 Startup and 100 Side Hustles If you like complacency and mediocrity do not read this book It s dangerously inspiring A J Jacobs author of The Know It All When he set out to visit all of the planet s countries by age thirty five compulsive goal seeker Chris Guillebeau never imagined that his journey s biggest revelation would be how many people like himself exist each pursuing a challenging quest These quests are as diverse as humanity itself involving exploration the pursuit of athletic or artistic excellence or battling against injustice and poverty Everywhere that Chris visited he found ordinary people working toward extraordinary goals making daily down payments on their dreams These questers included a suburban mom pursuing a wildly ambitious culinary project a DJ producing the world s largest symphony a young widower completing the tasks his wife would never accomplish and scores of others writing themselves into the record books The more Chris spoke with these strivers the more he began to appreciate the direct link between questing and long term happiness and he was compelled to complete a comprehensive study of the phenomenon In The Happiness of Pursuit he draws on interviews with hundreds of questers revealing their secret motivations their selection criteria the role played by friends and family their tricks for solving logistics and the importance of documentation Equally fascinating is Chris s examination of questing s other side What happens after the summit is climbed the painting hung the endurance record broken the at risk community saved A book that challenges each of us to take control to make our lives be about something while at the same time remaining clear eyed about the commitment The Happiness of Pursuit will inspire readers of every age and aspiration It s a playbook for making your life count The Happiness of Pursuit is smart honest and dangerous Why dangerous Because it is as practical as it is inspiring You won t just be daydreaming about your quest you ll be packing for it Bren Brown Ph D LMSW author of Daring Greatly **Unlocking the Natural-Born Leader's Abilities** Salar A. Khan MD MBA, 2017-03-24 A fifty year journey towards becoming a natural born leader NBL this book is my vision of true leadership Leadership is a habit we cultivate It throws many challenges our way to rediscover who we are Today there is a widespread lack of competence in leadership in a number of organizations But by accepting the challenges of life you too can take the steps towards unlocking your NBL My leadership guide presented through an autobiographical foundation delivers a highly readable mixture of motivational manual and medical memoir While working under time sensitive high risk high pressure situations I was able overcome the hurdles that came my way paving the path towards a successful self confident leader With life lessons and a self assessment tool included this motivational blueprint will give you a new perspective on leadership Learn from my experience read each word follow my lead and do not
