coachbuilt motorhomes and shows how the motorhome boom began in the mid 1960s With the further development of chassis cab designs in the 70s with brands such as Commer Toyota and Leyland more manufacturers of motorhomes would emerge as the boom carried on Caravan s International motorised division was re named Autohomes and became the biggest UK manufacturer of coachbuilt motorhomes going on to also be built in Germany Well known maker Dormobile concentrated on campervans though several coachbuilt motorhomes such as the classic looking Debonair were produced From those early days A Visual History of Motorhomes will make interesting reading to motorhome users showing how the leisure vehicle took shape
