

The two outside strings (blue) will be the border color for the bracelet.

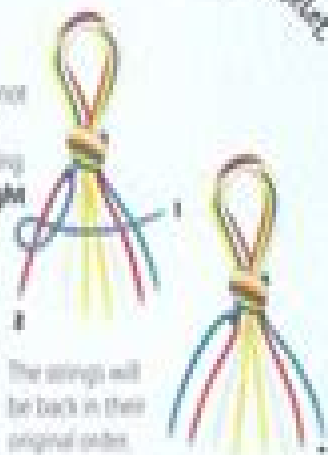

1

Start with the left outside string (blue) and tie a **single knot**, left to right onto string 2 (red).

2

Now tie another **single knot** with the same string (blue) **right to left**.

The strings will be back in their original order.

This is the string you'll use for the next knot.

3

Do the same thing with the other string (blue) on the far right. Tie a **single knot**, right to left onto its neighbor (red).

4

Do the same thing again. Tie the blue onto the red, but **this time**, tie the knot going **left to right**.

The strings will now be in their original order. Put the two outside strings (blue) off to the sides.

This is the string you'll use for the next knot.

5

Double-knot the red onto its two neighbors going towards the middle as shown (ignore string 1 blue).

Repeat the string you'll be using next.

Don't forget to tie double knots!
