Mental Birth Abit Gülistan ,2024-01-19 Are You Ready to Rebuild Your Life Did nothing happen the way you wanted in your life No matter what I did I could not achieve the result I wanted Current I deserve better than the life I m living My father who opened my way my uncle who held my arm my support I don t have an uncle who gives I don t have a mother who protects me I don t have an older brother who guides me In a poor and uneducated family in the village I was born We do not have as many opportunities as those living in the city I could not study in private schools my wife does not support me I bankrupted People are bad life is bad for me He acted cruelly nothing happens in this country I ve always been a loser because I m good They are bad in the world is winning This is how we came this is how we go who am I People deceived me a lot My wife left me did I couldn t hold on to life I have no luck my luck is bad Life is cruel the person who sees the talent in me I don t have any network I don t have money I don t have capital that s why I couldn t succeed Ah If I were lucky like this What a successful person I would be if I were born into an educated and rich family Saying arabesque life Am I one of those who accept it or do I want to be successful But I don t know what to do and how to be happier Are you wondering what you need to do to live a rich and desired life Then be ready New to look for a way and method to understand that the life he is living is not the life he wants and to live the life he wants researching thinking reading questioning and trying to learn for a living spending nights to achieve their goals If you are someone who loses sleep worries about the future and whose thoughts chase each other you may have a mental birth It means you are ready If you really want to be successful and live the life you want all the impossibilities and You have to rebuild your life despite the difficulties Or like 90 percent of people living as they are not as they want to be poor loser poor coward living for others gossiping troubled who are part of their purpose said dissatisfied born like people studying acquiring a profession finding a job working in the village or in the factory working doing a job he doesn t like getting married spending his life on a house and a car tired frustrated bored troubled While he considered it a success in his time he ensured that his children followed the same path and after his death his last grandchildren were You will be among the people living in captivity remembered by The choice is yours Success and failure are in your hands Life never turns out the way you want it to It happens as you do When I usually say in his seminars that you are good people and therefore losers There are many people who say it s true You re the only one responsible for the life you re living right now and what s happening to you I saw

that there were many people who said it was wrong when I said it was your responsibility But that doesn't change the fact Because only 10% of people are successful people who live the life they want And life is successful He gives people the other 90% unsuccessful people as a gift and tells them to take them to achieve their own goals Let this be my gift to you founded for you If you don't have a dream you want it to come true you believe in it and striving and working for the dreams of others that you strive for and complaining about this situation day by day You become dissatisfied unsuccessful unhappy Or to be successful all the impossibilities and struggles to achieve one's goals in life Brave determined and self improving despite the impossible taking advantage of all the opportunities that change oneself Respect for people who run the life they want by running from success to success with determination benefiting society and their country meaningful free and self confident leader exemplary willful intelligent hardworking wise You become a seeing person This book is about gender education and opportunities for people between the ages of 25 and 45 who want to rebuild their lives mentally regardless of whether he is just trying to be successful and live the life he wants People who want to restructure themselves by giving birth or who want to prepare their children for the future Written for It is not possible to change the past but it is up to you to shape the future The life you live today is 3 to 5 It depended on what you thought and did years ago Future Prepare for tomorrow today without fear with the lessons mistakes experiences and things you have learned in the past Creating a strategy improving oneself planning preparation with developments and new information by making is to do If you don't prepare today your future won't be bright Abit Gulistan December 8 2020 **How to Train Your Brain Don't Be a Robot** Lisa
