Mother Of The Believers By Kamran Pasha:

Mother of the Believers Kamran Pasha,2009-04-14 Deep in the heart of seventh century Arabia a new prophet named Muhammad has arisen As his message of enlightenment sweeps through Arabia and unifies the warring tribes his young wife Aisha recounts Muhammad s astonishing transformation from prophet to warrior to statesman But just after the moment of her husband s greatest triumph the conquest of the holy city of Mecca Muhammad falls ill and dies in Aisha s arms A young widow Aisha finds herself at the center of the new Muslim empire and becomes by turns a teacher political leader and warrior Written in beautiful prose and meticulously researched Mother of the Believer is the story of an extraordinary woman who was destined to help usher Islam into the world **Muhammad in the Digital Age** Ruqayya Yasmine Khan,2015-11-15 The early twenty first century has experienced an unrivaled dissemination of information and misinformation about Islam its prophet Muhammad and its followers largely facilitated by the fact that the tragedy of 9 11 roughly coincided with the advent of the digital age In the first collection of its kind Ruqayya Khan has compiled essays that treat Muhammad and the core elements of Islam as focal points in an exploration of how the digital era including social media and other expressions have both had an effect on and been affected by Islam Scholars from a variety of fields deal with topics such as the 2005 cartoon controversy in Denmark and the infamous 2012 movie trailer Innocence of Muslims that some believe sparked the attacks on the US consulate in Benghazi as well as how the digitization of ancient texts have allowed the origins of Islam to be studied in new ways Other essays examine how Muhammad s wives have been represented in various online sources including a web comic the contrasting depictions of Muhammad as both a warrior and peacemaker and how the widespread distribution of the look of Islamic terrorists has led to attacks on Sikhs whose only point of resemblance to them may be a full beard These findings illuminate the role of the Internet in forms of representation advocacy and engagement concerning Islam and Muslims in our world today Global War on Terrorism - Revisited Rohan Gunaratna,Mohd Mizan Aslam,2024-02-28 Through examining the development of new trends in terrorism it is evident that the purpose of the Global War on Terrorism GWOT has yet to be achieved since the terror landscape is constantly changing due to new developments The Israel and Hamas war that began in October 2023 has awakened many militant organizations and has amplified the efforts of active militants on the ground and online Therefore such attacks will motivate like minded individuals and continue the legacy of militancy making it a challenge to eradicate Hence it is evident that the GWOT is constantly being challenged by new circumstances in the global terror landscape This book provides a comprehensive overview of counterterrorism efforts such as the GWOT **La madre di tutti i credenti** Kamran Pasha,2011-05-04T00:00:00+02:00 Nel cuore profondo dell Arabia del settimo secolo nato un nuovo Profeta di nome Maometto Il suo messaggio illumina e unifica tutte le trib guerriere come racconta Aisha sposa di Maometto solo una bambina quando viene scelta dal Profeta ma la forza che promana da lui la conquista completamente e l intelligenza e il carattere di lei la faranno diventare ben presto la moglie prediletta Aisha segue

il marito nella sua trasformazione da predicatore in guerriero e da guerriero in statista Ma proprio nel momento del trionfo la conquista della città santa della Mecca Maometto muore fra le braccia di lei Giovane vedova Aisha si trova improvvisamente al centro dell'Islam e diventa a sua volta depositaria degli insegnamenti di Maometto leader politica e combattente Prender decisioni che metteranno a repentaglio l'unità dell'impero musulmano e ormai anziana racconterà al suo nipote prediletto quella drammatica e meravigliosa storia che stata la nascita di una nuova religione Un libro epico ricco di immaginazione che fa rivivere uomini e donne di secoli lontani e che regala la sensazione scabra della sabbia del deserto sulla pelle

The Mothers of the Believers Halime Demireszik, 2023-08-17 One of the most important characteristics which form a perfect and concrete example of the Prophet Muhammad saw is the way he lived his family life He established a superior most virtuous and happiest home with his wives who had different ages cultures abilities and characters That home that he established was so full of patience and beauty that the scent of happiness covered them even though for days they were not able to cook a single hot meal due to lack of food In addition in that holy home the room of each wife was merely a place to lay one's head However in that home the most delicious provisions were acceptance patience and submission His education method that he practiced in his family life filled their hearts with a limitless devotion and affection No wife can love their husband to the degree that the Holy Mothers loved the Prophet saw No husband can love his wife to the degree of the Messenger's love for his holy wives No child can love his or her father to the degree that Hz Fatima loved her father No father can love their child as much as Allah's Messenger loved Hz Fatima This is also true for grandchildren Our mother Hz Fatima the apple of the eye of the Ehl Bayt who was one of the rare roses of this exceptional rose garden means many things to the mothers and fathers these days her life was short but adorned with taqwa the awareness of Allah swt She shows them in a lively way that raising a child required a big effort and responsibility and that

the children's futures were in Allah's hands. The only purpose in that spiritual home which had between its members a sense of deep affection, sacrifice and attachment was the reaching of Allah's acceptance. In that home the biggest worry was about losing Allah's swt and His Messenger's saw affection and acceptance. The Prophet's saw exceptional wives were the recipient of the honor of being the Mothers of the Believers by Allah's command. They observed the Prophet saw as he received the inspirations of Quran and while he was praying while he was reading Quran eating speaking and sleeping shortly in every point of life they were cognizant of his spiritual mysteries which were far from all other eyes. They past their lives with the sensitivity of deserving this big honor and virtue and they became to the women of the ummah community the best guides and teachers. Thousands of hadiths were reported from them which explain the characteristics attitude and sunnet actions and sayings of the Prophet saw. The book that is in your hands which tells the story of the perfect human and family head and also that of his family life and his wives is like the summary of this very important and detailed subject. In society today where many social and family problems are lived and divorce increases day by day and the struggling children of these broken homes increase we need to know the holy and model home of the Prophet saw very much to the degree that we can smell the compassion, mercy, peace and inspiration.

Shahid Zafar Qasmi, *The Mothers of the Believers - Wives of Prophet Muhammad (saw)* Halime Demiresik, 2005-10-05. One of the most important characteristics which form a perfect and concrete example of the Prophet Muhammad saw is the way he lived his family life. He established a superior, most virtuous and happiest home with his wives who had different ages, cultures, abilities and characters. That home that he established was so full of patience and beauty that the scent of happiness covered them even though for days they were not able to cook a single hot meal due to lack of food. In addition in that holy home the room of each wife was merely a place to lay one's head. However in that home the most delicious provisions were acceptance, patience and submission. His education method that he practiced in his family life filled their hearts with a limitless devotion and affection. No wife can love their husband to the degree that the Holy Mothers loved the Prophet saw. No husband can love his wife to the degree of the Messenger's love for his holy wives. No child can love his or her father to the degree that Hz Fatima loved her father. No father can love their child as much as Allah's Messenger loved Hz Fatima. This is also true for grandchildren. Our mother Hz Fatima, the apple of the eye of the Ehl Bayt who was one of the rare roses of this exceptional rose garden means many things to the mothers and fathers these days. Her life was short but adorned with taqwa, the awareness of Allah swt. She shows them in a lively way that raising a child required a big effort and responsibility and that the children's futures were in Allah's hands.
