**Discipline and Domination: The Gay BDSM Bundle (Gay, BDSM, Bondage)** S M Partlowe, 2014-06-20 Reader Advisory These stories are for mature audiences only and feature intensely erotic situations bdsm play degradation spanking humiliation discipline punishment submission and dominance All characters are 18 or older Discipline and Domination contains three Gay BDSM themed stories of intense eroticism dominance and submission discipline spanking and humiliation in all forms His Turn to Submit After a series of relationships sabotaged by his own controlling ways Daniel returns to the man he remembers being happiest with only to find him changed Connor has learned a lot about himself and about the world since they were last together and if Daniel wants to be with him now he will be the one to surrender control A fulfilling and charged relationship may await but only after Connor has made Daniel suffer for his past transgressions and made it very very clear who is the dominant and who is the submissive Desperate to Be Dominated Mitchell has been meeting his dom irregularly for the better part of 3 months He has never experienced anything as powerful fulfilling or seductive as his submission to the mysterious Mr A But their meetings are sporadic and he is desperate for more Tormented by needs he never knew he had and which only Mr A can satisfy he searches the nearby residential areas until he glimpses Mr A through an open window He approaches the house prepared to beg for more only to uncover an unwelcome surprise and reap the penalties and pleasures of his disobedient arrival Learning to Please As much as his master appreciates Richard s inviting submissive body his behavior can leave something to be desired On a morning when Richard oversleeps and goes to his master later than expected his interrogation reveals that he often touches himself after their sessions together when he has not been allowed release His disobedience his master informs him reveals not only that he does not understand what it is to obey but that he does not understand the great pleasure and gratitude that lie within true submission But lest he worry the master is here to instruct him Excerpt Google has deemed this excerpt too explicit to be displayed Forbidden Transformation Willie Whipmore, 2024-03-12 From the moment I locked eyes with Master Jim in the dim lighting of an inconspicuous local bar I felt an inexplicable pull towards him an indescribable attraction that defied logic and reason The offer he laid before me was as unusual as it was strangely alluring to serve as his maid an idea that nibbled at the edges of my uncertainties dressed in feminine attire that seemed to mock yet beckon my deepest hidden desires The thought unsettled me yet I found myself inexplicably drawn into Jim s dark mesmerizing world unable to resist the orbit of his influence As I ventured deeper into this twisted relationship my life spiraled into a confusing blur of reality and illusion underpinned by the disturbingly sweet scent of submission and domination Each demand from Master Jim stripped away layers of my sanity each magical ordeal reshaped my sense of self until I teetered on the edge of a psychological abyss Yet within this descent a perverse sense of pleasure began to take root an acknowledgment of the joy found in the depths of degradation and a disturbing revelation of love for the very source of my torment Wrestling with the complex emotions of

desire fear and loathing I stood at a precipice the fabric of my identity fraying as I contemplated the darkness that awaited me with open arms

Excerpt I turned just enough to catch how Chris's face fell and reddened at the news I he began but trailed off Up here He drew a breath and stood The legs of his chair made a scraping sound against the hardwood of the floor and he winced Here Master repeated unsympathetically pointing to a spot at the head of the table Christopher moved into place on unsteady legs and then turned back to regard us the audience of his humiliation and punishment with that flushed face He reddened very attractively I noticed with slight envy His cheeks took on a very soft glow and his eyes stayed very round as he watched Master Tell me Master said to him as he stood at attention Tell what sir he asked Why did you fail the inspection I I don't know sir I didn't know I had until you told me You know Christopher I don't really believe you He looked at the ground flustered and stammering After a few seconds he fell silent and he closed his eyes Master watched him coolly Another moment ticked by and then he opened his eyes and raised them to meet Master's Notice This title includes themes and passages that have been adapted from Jessica Whitethread's His to Train series with full consent of the original author [Utterly Dominated \(Gay, BDSM, Bondage, Degradation\)](#) S M Partlowe,2014-07-12 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play degradation whipping discipline punishment anal sex submission and dominance All characters are 18 or older When Scott agrees to accompany his dom to visit an old friend of his in the BDSM scene he does so to make him happy but the prospect of engaging in role play with a strange man terrifies him Scott's introduction to Christian Fortier and a glimpse of his treatment of the men that live with him in his Cambridge townhouse only intensify his apprehension although other more confusing emotions begin to make themselves known within him as well If he can only open himself to this experienced and almost invasively perceptive control the mysterious figure offers to banish his confusion and show him the depths and rewards of submission beyond anything he has encountered before

**Lessons in Submission: The First Trilogy (A Bundle of Gay Discipline and Domination)** S M Partlowe,2014-10-18 Reader Advisory These stories are for mature audiences only and feature intensely erotic situations involving multiple men bdsm play discipline spanking humiliation public sex submissiveness and dominance All characters are 18 or older Adam has always been curious about the kink lifestyle but his exposure to it with his current partner has been a bit limited But after an eye opening experience with couple acquaintance

within the scene Adam and Damien apply to become members in the highly exclusive Langston Society a BDSM network of the city's most powerful and influential men Rather than questionnaires or resumes the Langston uses only one metric to assess potential couples the worthiness of the submissive So it is that Adam finds himself standing alone before a gathering of the city's most powerful and sexually dominant men with only one task obey Lessons in Submission The First Trilogy follows Adam along the initial steps of his sexual adventure first at the hands of his partner then on the public stage of the Langston Society and finally into the house of discipline established by one of the society's most prestigious members who intrigued by Adam's charms makes a rare offer to train him personally over the course of a week Excerpt Slowly as though he could sense my impatience Jack's deep charcoal eyes turned towards me Adam he said simply I'm glad you could come Master I responded eager to try the new form of address He smiled You've heard that word have you Good We'll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already getting hard He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You've been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I'm usually such a patient man he went on sliding a finger within the neck of my shirt just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We'll put these clothes somewhere safe for the week I wouldn't want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight flush rose to my cheeks but I did not break eye contact My God he didn't beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine
