Promoting Gender Equity in Selected Public Universities of Kenya Jane Onsongo, 2011 The purpose of this study was to examine sustainable gender equity interventions in selected public universities The study used descriptive survey and case study research methods to carry out an in depth analysis of the gender equity interventions in selected public universities in Kenya The sample consisted of four public universities that were selected because they had established gender centers institutes that were assumed to be coordinating gender equity intervention The study has the following objectives To establish the existing gender inequalities in the formal organisational structure of the selected universities To identify and assess sustainability of gender equity interventions in the selected public universities To analyse the national regional international and organisational culture and policy contexts that have influenced and supported the introduction of the identified gender equity interventions To investigate the attitudes of staff students and management towards the gender equity interventions and to recommend appropriate institutional strategies to address existing gender inequities *African Studies: Breakthroughs in Research and Practice* Management Association, Information Resources, 2020-04-03 Global interest in African studies has been rapidly growing as researchers realize the importance of understanding the impact African communities can have on the economy development education and more As the use acceptance and popularity of African knowledge increases it is crucial to explore how this community based knowledge provides deeper insights

understanding and influence on such things as decision making and problem solving African Studies Breakthroughs in Research and Practice examines the politics culture language history socio economic development methodologies and contemporary experiences of African peoples from around the world Highlighting a range of topics such as indigenous knowledge developing countries and public administration this publication is an ideal reference source for sociologists policymakers anthropologists government officials economists instructors researchers academicians and graduate level students in a variety of fields

Handbook of Research on Transformative Digital Content and Learning

Technologies Keengwe, Jared, Bull, Prince Hycy, 2016-12-21 Technology is constantly evolving and can now aid society with the quest for knowledge in education systems It is important to integrate the most recent technological advances into curriculums and classrooms so the learning process can evolve just as technology has done The Handbook of Research on Transformative Digital Content and Learning Technologies provides fresh insight into the most recent advancements and issues regarding educational technologies in contemporary classroom environments Featuring detailed coverage on a variety of topics such as mobile technology integration ICT literacy integration digital wellness online group counseling and distance learning this publication will appeal to researchers and practitioners who are interested in discovering more about technological integration in education

The Future of Accessibility in International Higher Education Alphin Jr., Henry C., Chan, Roy Y., Lavine, Jennie, 2017-05-17 Education is the foundation to almost all successful lives and it is important that a high level of schooling be available on a global scale Studying the trends in accessibility in education will allow educators to improve their own teaching techniques as well as expand their influence to more remote areas in the world The Future of Accessibility in International Higher Education is a comprehensive reference source for the latest scholarly material on emerging methods and trends in disseminating knowledge in university settings Featuring extensive coverage on relevant topics such as e learning economic perspectives and educational technology this publication is ideally designed for educators academics students and researchers interested in expanding their knowledge of global education

Negotiating Identities in Contemporary Africa Toyin Falola, Emmanuel M. Mbah, 2023-08-29 Negotiating Identities in Contemporary Africa Gender Religion and Ethno cultural Identities explores the changing dynamics of identities in Africa with a focus on gender ethno cultural and religious identity Toyin Falola and Emmanuel M Mbah argue that because identity defines who we are as individuals or groups studies on African identities must focus on understanding the changing dynamics in the socio economic and political spheres in the continent These chapters cover subjects such as women s career identity gender roles and knowledge childlessness ethnocentrism and democracy cultural identity through theater Black identity in the diaspora and diasporic consciousness Using existing scholarship the chapters in this edited volume challenge our understanding of what identity entails and provide new discussions on the hitherto politicized historiography of some identities in Africa

Advancing Africa's Sustainable Development Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest

of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa

Discourses of Globalisation and Higher Education Reforms

Joseph Zajda,W. James Jacob,2022-03-15 This book examines some of the major higher education reforms and policy shifts globally particularly in the light of recent shifts in quality and standards driven education and policy research It critiques the neo liberal ideological imperatives of current higher education and policy reforms and illustrates the way that changes in the relationship between the state and higher education policy affect current trends in higher education reforms Using diverse comparative education paradigms from critical theory to historical comparative research the chapters focus on globalisation ideology and higher education reforms and examine both the reasons and outcomes of higher education reforms and policy change The book analyses and evaluates the policy shifts in methodological approaches to globalisation and higher education reforms and their impact on education policy and pedagogy The book contributes in a very scholarly way to a more holistic understanding of the nexus between globalisation comparative education research and higher education reforms

Handbook of Research on Nurturing Industrial Economy for Africa's Development Nafukho, Frederick

Muyia,Boniface Makulilo, Alexander,2021-03-19 A robust manufacturing sector is a necessity and a sufficient condition for any country s human and economic development as it creates employment and alleviates poverty During this Fourth Industrial Revolution era there is an urgent need in Africa to optimally utilize the existing resources to support manufacturing or else risk allowing the continent to fall behind in the industrial economy Innovative strategies are needed that can unlock Africa s manufacturing potential by exploring key areas that may help Africa mature and launch modernized economies that will benefit the developed world s industrial economy The Handbook of Research on Nurturing Industrial Economy for Africa s Development examines various innovations necessary for Africa s economic development including drivers of the manufacturing economy such as education agriculture human capital science and technological innovations language politics and business environments The book explores strategies to increase Africa s economic diversity complexity productivity and ultimately competitiveness and for the continent to realize its manufacturing industrial potential Further chapters focus on African countries industrial economies in the African context and facilitating the fulfillment of the
