

What is **LEGACY**?

Legacy refers to the inheritance or influence we leave in the world after our departure.

It is the lasting impact that our actions, achievements, and values have on future generations.

It can manifest in different forms, such as our works, creations, teachings, or contributions to society.

Legacy is not limited to the material but also includes our emotional and spiritual impact on the people around us.

It is how we leave our unique mark on the world and how we will be remembered even after we are gone.
