Him. L. L. Ash, 2020-02-05. Blake I finally had my baby girl back home but she came with a little baggage in the shape of her best friend. I could deal with that for some more time with my daughter. Only problem is Bay's not exactly what I'd expected. I'd been through hell and back with my ex but even that didn't compare to the turmoil that girl causes me. My stomach aches every time she's in the room with me and we're drawn like magnets but she can never be anything to me. Bay is young vibrant and beautiful and totally off limits. My daughter's best friend has finally injected some color back into my dull life and I can't seem to give her up. Bay. It was financial desperation that had me moving in with Georgia's Dad. Her and I had been friends since we were kids but with her parents long divorced I'd never met the man. Now with my boxes unpacked and my backpack ready to start college I was settling down into a room across the hall from her and her dad. The man is sin wrapped in work boots and a blue collar and I can't help but capture him in the frame of my camera. It was blasphemy to let such perfection go to waste when it could be encapsulated in film forever. But then he became more than a subject he became my muse. Right or not accepted or not I had to have him. And nobody could stop me. Nobody but HIM.

Always Faithful Thomas Schueman, Zainullah Zaki, 2022-08-09. Band of Brothers meets Argo in this dramatic and heartfelt dual memoir of the war in Afghanistan told by two men from opposite worlds. Always Faithful entwines the stories of Marine Major Tom Schueman and his friend and Afghan interpreter Zainullah Zak Zaki as they describe their parallel lives converging paths and unbreakable bond in the face of overwhelming danger culminating in Zak and his family's harrowing escape from Kabul. In August of 2021 just days shy of the 20th anniversary of 9/11 America ended its longest war. The speed of the Afghanistan's fall was so stunning that thousands of Afghan citizens who had helped American forces over the course of two decades and had been promised visas in return were suddenly stranded in extreme imminent danger. As the world watched the shocking scenes of desperation at the Kabul airport in the final two weeks of August Maj. Tom Schueman fought both behind the scenes and through a social media campaign to get his friend and former Afghan interpreter Zak out of Afghanistan before he and his family were discovered by the Taliban. When Zak and his family finally took off from the airport mere days before the US left the country the years long effort to get Zak to America culminated in two simple words on Instagram: Wheels up. Now in Always Faithful Tom and Zak tell the full story of the divergent paths that led them to Afghanistan the dangerous road they walked together in service to America and how their commitment to each other ended up saving them both. Brilliantly told in Tom's and Zak's alternating first person voices Always Faithful tracks the parallel lives of these two men who each spent their childhoods in fear, peril and poverty and turned to war in attempt to build a meaningful future. On an inevitable course towards each other their lives dovetail in Afghanistan's deadly Helmand Valley.

where they formed a brotherhood that transcends even the most overwhelming of odds eventually culminating in Zak's harrowing eleventh hour rescue. The end result is an intensely personal and uniquely ground level account of Tom and Zak's experience. *Always Faithful* gives readers a 360 degree view of the war. At once provocative and heart pounding their stories together form a microcosm of the complicated and lasting effects of America's longest war. Through their eyes and their experiences they challenge readers to explore the legacy of the war for American and Afghan citizens alike as we all collectively seek to understand whether twenty years of war was worth the price.

Pregnant By My Best Friend's Dad
S.E. Law, Ed I live my life to the fullest and Club Z is a part of that. It's a place for wealthy dudes to do whatever they f ck they want. So what if my tastes are depraved. It's the club's job to provide no questions asked. What I didn't expect was to see my daughter's best friend on her hands and knees at an event one night. Ready for anything. Including getting a baby in her belly. Kimber Ed's my best friend's dad but he wasn't supposed to be at Club Z that night. I even wore a mask to shield my identity. But the mask slipped. Ed was one of three men in the room. Who tried to put a baby in me. What kind of naughty event is this. Well you'll have to read and see. Okay there's nothing realistic about Club Z or what goes on within its walls because this is no holds barred insanity to the max. Let's just say that young ladies go there for a good time and come out with more than what they expect. Plus the billionaires who patronize the club are no angels that's for sure. But it's a fun ride and we all love indulging in our filthy sides once in a while. wink wink. This story is a follow up to *Pregnant* and *Desperate* where once again we link up with a saucy co-ed from Coleman University. I swear what is going on at that school. There's only one way to find out. No cheating no cliffhangers and always a HEA for my heroines.

Best Friend's Brother: A Second Chance Secret Baby Romance
Ajme Williams, It's been five years since I made that big bad mistake. Five years since I hooked up with my best friend's brother. I thought that would be the only secret I'd have to carry. But boy was I wrong. The fact that Adam adored my curves for one night was nothing in comparison to what that night actually led to. Adam is a billionaire. A man who knows what he wants and who he wants. That hasn't changed all these years later. He still looks at me the same way he did back then. Only now my eyes are hiding something. Adam is a dad. He's got no idea. And I've got no idea how to break this news to him. Especially now that he's my boss. But I know that once this secret comes out it'll be the beginning of an end. An end of a friendship. And possibly an end of a love that should get a second chance. A full length second chance secret baby romance. An alpha boss best friend's brother. Loads of angst and a whole lot of drama. The perfect HEA and absolutely no cliffhanger. Get some tissues ready because this one is emotional. And don't forget the fan. Well it's hot too. *Best Friend's Brother* is a part of the *Heart of Hope* series but stands alone. Books do not have to be read in order.
