My Challenge To You:

The Day I Made a Decision Marion M. Jacobs, 2017-08-08 In the 20 years that I've known Marion I can only say that I've seen a boy grow into a man. Regardless of the distance that life has put between us, we always remained in each other's lives at the craziest times. It's like being a part of someone's life, sharing their pain and success as if you are in the same room with them while they experience whatever they are going through at that current moment. I know what it is to feel as if you've lost the person that you love. Although that person still remains alive in my life, I know what it feels like to be a single parent ultimately only wanting the best for your children. January 23rd **The Day I Made A Decision** is a message for everyone to hear, especially the men in today's world. They need to know how great they are regardless of their past or flaws. They need to know that they have a purpose worth living for. I look forward to the other books that are a part of this E V O L V E Series. It will only challenge those that read them to evolve from their current situations into their true purpose in life. Ebbie Blanca, Writer, Mentor, and Entrepreneur
