

### My Childhood Days

It was a green universe where I was born. I was born and raised in a little town which could about cognize as countryside. Now, the little town has already collapsed and turned into a developing-city. It is so sad that I can merely remember my childhood yearss in my head alternatively of sing the little town.

It was a little town with warm-hearted villagers. We were all friends and ever portion our nutrients and games. Mak Kwan had the most celebrated cookery while En. Chong could wing the kite highest. Hmm... I could still smell the curry in the air! My brother and I, we used to hotfoot to Mak Kwan's place and asked for curry when we smell it. Mak Kwan ne'er diminution and ever offers us a large bowl of curry to portion with our household. The satisfaction is so difficult to depict.

In my childhood yearss, I loved to angle in the rivers. Particularly hand-fishing! I ne'er like to angle with the rods because it is excessively mussy. Although I like to angle, I am non good at it. So, it was ever a large surprise for me when I succeeded to catch a fish. It made me smile all the twenty-four hours because I was over the Moon! I normally went angling with my brother. Not like me, he was good at hand-fishing. He could ever catch a basket-full of fish. But, we merely chose a fish to convey place and allow the others go. Brother said that this was to do certain that there are ever fishes in the rivers.

One twenty-four hours, I watched "Recess" and I was so impressed by the tree-house. I asked for permission to construct a tree-house, and my male parent promised to do me one! God is so good to me! My pa said that it was his dream when he was little excessively, so, he tried to do his and my dream came true. Then, we started to continue. First, we selected a tree which was suited to construct a tree-house. After that, we drew a simple blue-print of the tree-house. We chopped down some trees and cut them into boards ( it was non encouraged to cut down trees at that clip, but no 1 stopped us because everyone was excited to see the tree-house ) . After three months, it was done! Not every bit epicurean as the one in "Recess" , but it was reasonably good. At that clip, I thought that I would go a good designer because I could plan and construct. Now, I learned that I was naif and stupid. In my childhood yearss, it was non merely my resort area, but besides my safe oasis when I was scolded by my parents. It used to be my place to place.

In the little town I lived, there was a little jungle. My brother and I enjoyed jungle trekking and explored some new things in the jungle. We had an album named 'Jungle Diary' . We wrote down all the interesting incident during the geographic expedition. We besides collected the alone foliages, stucked it in the album and did some notes. We besides liked to detect the animals' life style. We had an old digital camera, we shot the exposure of the birds and wrote down the features
