When God Says NO, Let it Go! Betty Jean Lathan, 2013-05-20 Betty Jean Lathan has published five children's books and has published her first Christian book which speaks to those who have experienced world's trials that will cause one to question Why Me Lord. After being married to the late Rev Robert Lathan for 33 years, God tested her faith by calling him home after a three-year battle with multiple myeloma cancer. The book details his and her strength as they watched loved ones leave this world and the God and Satan will test your faith through problems in your marriage through drugs, alcohol, and yes even through your enemies and loved ones. It encourages you to stay strong and stay in the word of God by constantly talking to Him and trusting him. All of us will have tests during this journey in life and we must be ready for all types of tests and when you feel that you will fail, God tells us to hold on and keep the faith because the race is not given to the swift and the strong but it is given to the one that can endure to the end.

Sorting It Out Cynthia Friedlob, 2006-05 Does your heart race and your head ache when you look around your overcrowded home? That's a Stuff Attack. Do you feel overwhelmed by your possessions the minute you enter your front door? That's Stuff Overload. Does the standard advice from all those so-called organizing experts just make you want to crawl back under the bedcovers? Don't give up. Author Cynthia Friedlob tackles the issue of too much stuff head-on from a fresh, funny, and totally sympathetic point of view. A self-confessed Stuff Sufferer, she recounts stories of her own frustrating battles with too many possessions and offers some down-to-earth advice to set you on the road to Stuff Freedom. So don't despair. Help and humor are finally on the way from a woman who's been there, organized that, and lived to tell the tale.
