Moreover, to create a text in which exposition, graphics, and layout would work together to enhance all facets of a student's calculus experience. They paid special attention to certain aspects of the text: 1 Clear, accessible exposition that anticipates and addresses student difficulties 2 Layout and figures that communicate the flow of ideas 3 Highlighted features that emphasize concepts and mathematical reasoning, including Conceptual Insight, Graphical Insight, Assumptions, Matter

Reminder and Historical Perspective 4 A rich collection of examples and exercises of graduated difficulty that teach basic skills as well as problem solving techniques reinforce conceptual understanding and motivate calculus through interesting applications Each section also contains exercises that develop additional insights and challenge students to further develop their skills Calculus (Paper) Jon Rogawski,2007-06-22 This new text presents calculus with solid mathematical precision but with an everyday sensibility that puts the main concepts in clear terms It is rigorous without being inaccessible and clear without being too informal it has the perfect balance for instructors and their students **Calculus** Jon
