Publisher's description: **Grade 5 Music Theory Multiple Choice Exercise** Regina Regina Pratley, 2020-10-02 As the ABRSM grade 5 Music Theory exam will take place online from 2020 onwards, nearly all of the questions will become multiple-choice questions. The online test will be more focused on analysis instead of simply writing your own answers. Though the topics that will appear in the exam will remain the same as before, all students have to get used to the new format of the exam. This book is written for students who are going to take the grade 5 Music Theory exam in the new format, i.e. the online test format from 2020 onwards. Most of the exercises in this book are multiple-choice questions, but students may still be asked to write simple information, e.g. a number or a note, in some of the questions, just as like as in the real online exam. Hope every student will have enough practice and get used to the new format before the real exam.
