Music While Drowning German Expressionist Poems:

Music While Drowning David Miller, Stephen Watts, 2003-06 Expressionism gave rise to some of the most dynamic and emotionally challenging imagery of the modern period But it was not just in the visual arts that Expressionism manifested itself Its literary masterpieces remain among the best kept secrets of European cultural history Here for the first time is a representative anthology of some of the very best poems from the Expressionist era from Wassily Kandinsky to Egon Schiele and Else Lasker Schuler

Modernism and Poetic Inspiration J. Rasula, 2009-06-08 The sites of inspiration documented in this book range from nineteenth century linguistic theory to postmodern strategies of conceptual writing encompassing well known instances of modernist poetics Mallarmé Pound Olson alongside obscure but revealing figures like Otto Nebel and Henri Martin Barzun

Making Sense of Poetry 2 - Unseen Poems Rex W Last, 2023-10-23 Following on the very positive reception of *Making Sense of Poetry* this new guide focuses on the unseen poems test which features in English examinations but it also serves as a follow on from the first volume examining the process of analysing a poem in greater depth Poets range from Milton to the nineteenth century poetess Anna Laetitia Barbauld The whole approach is interactive with readers encouraged not just to sit back and read but to work out for themselves the answers to the examples in the text before checking the model responses at the back of the guide Readers are also encouraged to read poetry widely as this is one of the key routes for making progress in this subject and the guide contains a list of anthologies etc which can point them in the right direction

Universalist Hopes in India and Europe Ana Jelnikar, 2016-02-18 In 1913 Rabindranath Tagore received the Nobel Prize in Literature World famous overnight he was translated into numerous languages Meanwhile in Slovenia a young still anonymous poet felt strongly drawn to the newly available works of the Indian bard This young man was Sre ko Kosovel who is today hailed as Slovenia's leading avant garde poet of the interwar period But what could Kosovel then barely out of his teens have in common with a figure of Tagore's stature Deeply affected by Italy's conquest of parts of Slovene populated territory Kosovel was able to identify with Tagore and relate to the historical predicament of colonial subjugation Despite coming from different backgrounds they were kindred spirits a dynamic creative ideal of universalism lay at the core of their concerns As a true universalist in the sense of feeling empathy with the less

fortunate it was more in the spirit of equality that Kosovel approached Tagore This volume is the first comparative study of the writings of these two poets who lived worlds apart but spoke in strikingly similar voices It explores the links between India and East Central Europe in the early decades of the twentieth century and gives expression to responses from within Europe that have largely been overlooked in postcolonial and cultural studies **Opera** Robert Cannon, 2012-02-16 Perfect for music students and opera goers this book investigates what opera is how it works and how it has developed *Spiritual Letters (I-II)* David Miller, 2004 The Oxford Critical and Cultural History of Modernist Magazines Peter Brooker, Andrew Thacker, 2009 The first full study of the role of little magazines and their contribution to the making of artistic modernism and the avant garde across Europe this volume is a major scholarly achievement of immense value to those interested in material culture of the twentieth century *Assembly* Novica Tadić, 2009 A selection of 55 poems spanning Tadić's career from 1974 to 2006 *In the Shop of Nothing* David Miller, 2007 Poetry In these poems celestial transparency is abandoned for the quieter glow of unruly paradox as Miller writes Anterior dark makes its claim upon light Yet this poetry is anything but bleak For the SHOP OF NOTHING culls the radiance of poetry as witness as alchemical window This ghostliness may in fact be the very stuff of form Miller's poetry locates the site precisely between gaze and image effecting a mode of recognition that somehow conjoins love with love presence with absence ghost with flesh **The Blue Bag** Stephen Watts, 2004 Bag for holding materials **An Die Verstumten** Georg Trakl, 2005 Although the Austrian poet Georg Trakl was born over a century ago the mesmerising imagery and haunting visions of his highly sensitive and morbidly introspective poems are as powerful today as they were when he wrote them A source of inspiration for artists musicians and writers throughout the Expressionist period and beyond Trakl's poetry bleak yet revealing tenderness and hope nightmarish yet eerily beautiful can be savoured to the full in Will Stone's new translation of a representative selection of Trakl's finest work complete with introductory essays and commentary a volume which promises to rekindle interest in the work of this seminal poet **Banipal**, 2004 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 Transplantings Peter Viereck, 2011-12-31 On being told that translation is an impossible thing Anatole France replied precisely my friend the recognition of that truth is a necessary preliminary to success in art The task of *Transplantings* is to add flesh and bones to that familiar quip Indeed Daniel Weissbort notes that Viereck's study represented a sixty five year long project Now it is finally being brought to print in its full form with the completion of the final manuscript shortly before Viereck's death If translation is a special genre in its own right the translation of poetry especially from major foreign languages is a special subset of that genre What emerges in the imperfect act of translation is an aesthetic dimension that Viereck considers unique in its own right *Transplantings* provides new insight into Viereck as a poet of substance but more than that as a public intellectual He is critical in probing the work of the major figures such as Stefan George and Georg Heym To round out this monumental new look at German poetical history Viereck reviews Goethe Novalis and Rilke among others For Viereck the

difference between the poetical and the political is critical The quality of poetry is not measured by politics nor can the worth of political action be defined by commitment to the poetical The experience of German thought as well as French and Italian efforts reveals a divide that can be narrowed but hardly bridged by rhetoric Transplantings does not simplify the task of the reader Rather it shows without doubt that the passion of great poetry is part of a national tradition Efforts at translation indicate how such poetry becomes part of an international culture This is a major work by one of the great thinkers of the twentieth century It merits reading and then re reading **Hugo Ball Almanach** ,2006 Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen ,2006 *Contemporary Literary Criticism* Daniel G. Marowski,1989-05 Entries include critical commentary brief biographical information a portrait when available a list of principal works and may also include a further reading section British Humanities Index ,1994

Opening of the mouth Richard Barrett,1999 **Tragediia sovetskoi derevni** ,1999
