want to keep you guys I said I ll get back to work right away See you later I started to make for the door There was a space
between the two of them for me to fit through but James pushed himself off the wall and brought up his arm blocking my way
Hey he said What s the rush There was a playful glint in his eye The imposing size of his body was even more apparent up
close in this tight space and without my heels on he seemed even taller I shivered briefly whether from the coolness in the
stairwell or from something else I wasn t sure James wasn t wearing his suit jacket either and through his fitted shirt I could
make out the girth of his muscles and the outline of his chiseled chest more clearly than usual I looked nervously to Mark
That report can wait a little he smiled It s not going anywhere But I want to do a good job for you I said You already are
James said But you need to relax Hang out with us for a while Mark said Oh that s okay really I insist James said That s an
order I was starting to get nervous now as they both stared at me Nervous and strangely aroused Each of them stood barely

a foot away and I could feel my heart beating like crazy my breasts heaving I had no idea what to say I d never been this close to them both at the same time before I could myself flushing and averted my gaze This was almost too much to handle Suddenly they both broke out laughing He s kidding Melinda Mark said But we do hope you ll spend some time with us He moved around behind me and a second later I felt him brush my hair aside and nuzzle my neck At first I froze unsure how to react but his lips caressing my bare skin felt so good that I felt myself melting instinctively tilting my head to give him more My legs started to wobble slightly I couldn t believe what was happening I ve always thought you were a gorgeous girl Mark whispered into my ear I ve had my eye on you since the day you started here Really I said though I could barely get the word out his kisses on my neck were so distracting Mmmm hmmm he murmured so that his soft breath blew across my skin So has James My eyes had been halfway closed and I d almost lost track of James but now he made sure I didn t forget him Stepping closer and taking one of my hands in his he lifted my head and looked at me with a desire I d never seen in his eyes before As Mark s kisses moved along my bare shoulders James bent down and kissed me passionately on the mouth His lips were soft but strong instantly dissolving my initial hesitations and it didn t take long for me to open my mouth and return the kiss
