Stepbrother Dearest Penelope Ward,2016-06-20 My Dearest Billionaire Stepbrother Romance Marian Middleton,2015-10-31 After my divorce I doubted I could ever find love again I felt broken and lost but that changed into a whirlwind romance that I hadn t been expecting A man came into my life and changed all of that He spoiled me showed me attention and showed me attention These were all the things my ex husband didn t do in our relationship There was one small catch I couldn t tell my family about the new man in my life that brought me so much love happiness and joy My family wouldn t understand about my new relationship and would disown me in a heartbeat if they ever found out I held the picture frame with us in Paris I traced my on his face I wasn t expecting to fall in love with him and definitely not so soon but we did The only problem was the fact he was my stepbrother Society didn t see it the same way we did We weren t related and it was perfectly legal to get married We weren t blood related We were only classified we were related because my mother was married to his father People that both worked for the firm and lived around here didn t know we were half siblings We didn t have to hide it but we had to both be at my parents this week for our Thanksgiving holiday My Dearest Billionaire Stepbrother Romance Marian Middleton,2015-11-02 Bentley had changed my world completely Time healed the wounds that

the past left behind I was in love and one man changed my whole world Every day Bentley just didn't spoil me but it seemed like there was a new adventure we were on Our relationship was perfect in every way except one thing Bentley was my stepsibling When we went to our family's house on the west coast we had to pretend there was nothing going on between us Our family not only wouldn't understand our relationship but they were continuously trying to get us back with our ex spouses Thanksgiving already proved that my mother was willingly going to set me back up with my ex husband His father on the other hand tried to get him back with his ex wife I wanted to scream but doing so didn't work All I could do was hold on and wait until we both left for Cancun Mexico The memories were still fresh in my mind of the wonderful time we spent there My heart belonged to Bentley and I knew no one else could ever replace him I also knew he felt the same way about me He gave me a ring promising his love to me What I wasn't sure about was how long we could hide this from both of our parents I didn't care any longer I loved Bentley Have your copy NOW SCROLL to the top of the page and select the BUY button
