Investments Bodie Kane Marcus McGraw Hill Irwin:

Investments Zvi Bodie, Alex Kane, Alan J. Marcus, 2008 Bodie Kane and Marcus Investments is the leading textbook for the graduate MBA investments market. It is recognized as the best blend of practical and theoretical coverage while maintaining an appropriate rigor and clear writing style. Its unifying theme is that security markets are nearly efficient, meaning that most securities are usually priced appropriately given their risk and return attributes. The text places greater emphasis on asset allocation and offers a much broader and deeper treatment of futures, options, and other derivative security markets than most investment texts.

Essentials of Investments Zvi Bodie, Alex Kane, Alan J. Marcus, 2019 The market leading undergraduate investments textbook. Essentials of Investments 9e by Bodie Kane and Marcus emphasizes asset allocation while presenting the practical applications of investment theory. The authors have eliminated unnecessary mathematical detail and concentrate on the intuition and insights that will be useful to practitioners throughout their careers as new ideas and challenges emerge from the financial marketplace. The Ninth Edition includes increased attention to changes in market structure and trading technology while continuing to be organized around one basic theme: that security markets are nearly efficient. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective.
