□□□□□□□□,2007-02 *Jonathan Livingstone le goéland* Richard Bach,2009 Jonathan Livingston n est pas un go land comme les autres Ses parents les autres membres de son clan ne voient pas plus loin que le bout de leurs ailes S ils volent c est uniquement pour se nourrir Jonathan lui vole pour son seul plaisir Et en volant toujours plus haut toujours plus vite il sait qu il d couvrira un sens plus noble la vie Effray s par son audace ses semblables le rejettent Mais Jonathan va se faire de nouveaux amis Dr le universel et po tique Jonathan Livingston le go land est un hymne l amour et la libert *Il gabbiano Jonathan Livingston* Richard Bach,1977 **Fan Fiction and Copyright** Aaron Schwabach,2016-04-15 As long as there have been fans there has been fan fiction There seems to be a fundamental human need to tell additional stories about the characters after the book series play or movie is over But developments in information technology and copyright law have put these fan stories at risk of collision with the content owners intellectual property rights Fan fiction has long been a nearly invisible form of outsider art but over the past decade it has grown exponentially in volume and in legal importance Because of its nature authorship and underground status fan fiction stands at an intersection of key issues regarding property sexuality and gender In Fan Fiction and Copyright author Aaron Schwabach examines various types of fan created content and asks whether and to what extent they are protected from liability for copyright infringement Professor Schwabach discusses examples of original and fan works from a wide range of media genres and cultures From Sherlock Holmes to Harry Potter fictional characters their authors and their fans are sympathetically yet realistically assessed Fan Fiction and Copyright looks closely at examples of three categories of disputes between authors and their fans Disputes over the fans use of copyrighted characters disputes over online publication of fiction resembling copyright work and in the case of J K Rowling and a fansite webmaster a dispute over the compiling of a reference work detailing an author s fictional universe Offering more thorough coverage of many such controversies than has ever been available elsewhere and discussing fan works from

the United States Brazil China India Russia and elsewhere Fan Fiction and Copyright advances the understanding of fan fiction as transformative use and points the way toward a safe harbor for fan fiction **Il gabbiano Jonathan Livingston** Richard Bach,2010 *Hypnotizing Maria* Richard Bach,2009-09-18 This philosophical novel mines the same territory as *The Secret* but is far richer raising provocative questions Publishers Weekly Flight instructor Jamie Forbes guides a woman to landing her plane safely after her husband loses consciousness then flies on to his own destination unimpressed by his act flight instructors guide students every day Only after she tells reporters that a stranger appeared in an airplane alongside hers and hypnotized her into landing and after he meets his own guiding stranger does he solve the bigger mystery how each of us creates step by step what seems to be the solid world around us The best mysteries are the ones whose answers lie in front of us in plain sight The best solutions are those moments when all of a sudden we realize what we ve known all along

The Man who Couldn't See Himself ,1999 In the tradition of such bestselling illustrated classics as Jonathan Livingston Seagull and Off to Sea Torregrossa s The Man Who Couldn t See Himself is an enchanting story Whimsically illustrated The Man Who Couldn t See Himself tells the story of a man who has lost sight of who he is He is filled with only loneliness and little self esteem To fill this void he buys himself a dog but before long they are both lonely And what evolves is a sublime journey of a man to find himself again In spite of life s daily demands and stresses in his business he decides to make paper flowers a compelling metaphor for how he s now chosen to look at life The paper flowers find their way around and eventually make their way into the hearts of those whose lives they touch One paper flower leads a beautiful woman to him and because he has been able to transform himself he attracts true love The magic of this story occurs at the moment the man decides to surrender himself to what he believes is his fate and comes to terms with his loneliness However instead of allowing his acceptance to become a dismal one he demonstrates a shift in his consciousness and becomes open to the mystery of love It is only then that he is able to let love enter his life and his acceptance of himself is what creates this possibility not the expectation or the egoistic need for love
