DS Mayfield

Melville's Short Novels Authoritative Texts Contexts Criticism:

Melville's Short Novels Herman Melville, 2002 Contains a collection of short novels by Herman Melville with critical explanatory annotation and includes the stories Bartleby The Scrivener Billy Budd and Benito Cereno Bloom's how to Write about Herman Melville Laurie A. Sterling, 2009 Although he spent much of his career in obscurity Herman Melville the author of classics such as Moby Dick Billy Budd and Bartleby the Scrivener has since become known as one of America's greatest writers How to Write about Herman Melville offers valuable paper topic suggestions clearly outlined strategies on how to write a strong essay and an insightful introduction by Harold Bloom on writing about Melville This new volume is designed to help students develop their analytical writing skills and critical comprehension of the author and his major works

Moby-Dick Herman Melville, 2018 One of the great strengths of this third edition is Hershel Parker's inclusion of commentary on Moby Dick from its publication in 1851 right into the 21st century to answer why Moby Dick boisterous beautiful filled with soaring language forever questioning and nearly 200 years old is more popular than ever MARY K BERCAW EDWARDS University of Connecticut *Rhetoric and Contingency* DS Mayfield, 2020-10-26 Human life is susceptible of changing suddenly of shifting inadvertently of appearing differently of varying unpredictably of being altered deliberately of advancing fortuitously of commencing or ending accidentally of a certain malleability In theory any human being is potentially capacitated to conceive of and convey the chance view or fact that matters may be otherwise or not at all with respect to other lifeforms this might be said animal's distinctive characteristic This state of play is both an everyday phenomenon and an indispensable prerequisite for exceptional innovations in culture and science contingency is the condition of possibility for any of the arts be they dominantly concerned with thinking crafting or enacting While their scope and method may differ the fact of reckoning with and taking advantage of contingency renders rhetoricians and philosophers associates after all In this regard Aristotle and Blumenberg will be exemplary hence provide the framework Between these diachronic bridgeheads close readings applying the nexus of rhetoric and contingency to a selection of Early Modern texts and authors are intercalated among them La Celestina Machiavelli Shakespeare Wilde Fontane **Rendered Obsolete** Jamie L. Jones, 2023-08-10 Through the mid nineteenth century the US whaling industry helped drive industrialization and urbanization providing whale oil to lubricate and illuminate the country The Pennsylvania petroleum boom of the 1860s brought cheap and plentiful petroleum into the market decimating whale oil's popularity Here from our modern age of fossil fuels Jamie L. Jones uses literary and cultural history to show how the whaling industry held firm in US popular culture even as it slid into obsolescence Jones shows just how instrumental whaling was to the very idea of energy in American culture and how it came to mean a fusion of labor production and the circulation of power She argues that dying industries exert real force on environmental perceptions and cultural imaginations Analyzing a vast archive that includes novels periodicals artifacts from whaling ships tourist attractions and even whale carcasses Jones explores the histories of race labor and

energy consumption in the nineteenth century United States through the lens of the whaling industry's legacy In terms of how they view power Americans are she argues still living in the shadow of the whale **Handsomely Done** Daniel Hoffman-Schwartz, 2019-04-15 *Handsomely Done* Aesthetics Politics and Media after Melville brings together leading and emerging scholars from comparative literature critical theory and media studies to examine Melville's works in light of their ongoing afterlife and seemingly permanent contemporaneity The volume explores the curious fact that the works of this most linguistically complex and seemingly most untranslatable of authors have yielded such compelling translations and adaptations as well as the related tendency of Melville's writing to flash into relevance at every new historical political conjuncture The volume thus engages not only Melville reception across media Jorge Luis Borges John Huston Jean Luc Godard Led Zeppelin Claire Denis but also the Melvillean resonances and echoes of various political events and movements such as the Attica uprising the Red Army Faction Occupy Wall Street and Black Lives Matter This consideration of Melville's afterlife opens onto theorizations of intermediality untranslatability and material intensity even as it also continually faces the most concrete and pressing questions of history and politics *Ambiguities* Herman Melville, 2017 When *Pierre* was published one year after *Moby Dick* expectations were high Readers expected and Melville delivered adventure humor and brilliance Magnificent and strange *Pierre* is a richly allusive novel mirroring both antebellum America and Melville's own life

Forthcoming Books Rose Army, 2001-08 *Subject Guide to Books in Print*, 1993 **Ombres et lumières dans les Amériques** Ruxandra Pavelchievici, 2023-12-28 Ombre et lumière ne forment pas une dichotomie stricte mais se situent dans le prolongement l'une de l'autre De la lumière l'ombre nul contraste saisissant mais un glissement vers une autre nuance vers un entre deux lieu de passage aboutissant l'éventuelle obscurité Lumière et obscurité sont porteuses d'une charge symbolique façonnée par la philosophie l'art et la littérature d'ordinaire présente dans les métaphores usuelles et l'imaginaire collectif la première s'attache une connotation positive de vie de vertu et de connaissance tandis que la seconde est liée la mort l'ignorance au désespoir et au mensonge Pourtant loin de constituer le lieu de l'insignifiant de ce qui mérite de se voir clipser l'ombre est au contraire le lieu du détail subtil qui modifie la compréhension de ce que la lumière laisse voir immédiatement Le continent américain est familier des jeux d'ombres et de lumières monde nouveau il est porteur d'espoirs d'aspiration au renouveau terre d'expérimentation parfois de désillusion Ce numéro unit des contributions consacrées aux États-Unis ainsi qu'aux pays d'Amérique latine qui illustrent la variété des variations d'intensité de la lumière pour saisir les diverses facettes de la vie humaine que ce soit travers la création littéraire et artistique ou l'analyse de l'évolution des sociétés *The Cambridge History of African American Literature* Maryemma Graham, Jerry Washington Ward, 2011-02-03 A major new history of the literary traditions oral and print of African descended peoples in the United States **Women Vigilantes and Outlaws in American Popular Media** Gregory Bray, Andrew J. Ball, 2025-08-14 This interdisciplinary collection of essays examines how women vigilantes social bandits outlaws and anti-heroines were represented in American novels movie serials radio dramas

films comics and pulp fiction from the post Civil War era through World War II Demonstrating a broad spectrum of methodological and critical approaches the book includes essays from seasoned as well as emerging scholars The collected essays fill a gap in present popular culture studies and intersect with outlaw studies gender studies feminism historical studies and media archaeology along with citizenship and national identity The volume also considers how representations of women relate to matters of class sexuality and ethnicity By analyzing female outlaws both real and imagined this study highlights the ways that these women have become symbols of justice and social transformation in American cultural memory This book is an ideal resource for researchers and academics in popular culture studies media studies outlaw studies comparative literature and feminist studies as well as historians who focus on media in the late nineteenth and early twentieth centuries Books in Print Supplement ,2002 *Kulturökologie und Literatur* Hubert Zapf,2008 Am beginnenden 21. Jahrhundert hat sich unter dem Stichwort des Ecocriticism eine ökologisch orientierte Betrachtungsweise der Literatur entwickelt die eine doppelte Produktivität zu entfalten verspricht Einerseits öffnet sie die Literaturwissenschaft auf einen größeren transdisziplinären Diskurszusammenhang über die Beziehung von Kultur und Natur die in den verschiedensten Wissenschaftsdisziplinen von zunehmender Aktualität ist und die in literarischen Texten seit jeher in besonderer Komplexität und Intensität verhandelt wurde Andererseits gewinnt dieser transdisziplinäre Zugang seine Bedeutung für die Literaturwissenschaft erst dadurch dass er die Texte nicht einfach unter allgemeinere ökologische Themen und Prinzipien subsumiert sondern vielmehr gerade die spezifischen in der kulturellen Evolution herausgebildeten Formen und Funktionen literarischer Textualität in den Blick rückt *The Broadview Anthology of American Literature Volume B: 1820 to Reconstruction* Derrick R. Spires,Christina Roberts,Joseph Rezek,Justine S. Murison,Laura L. Mielke,Christopher Looby,Rodrigo Lazo,Alisha Knight,Hsuan L. Hsu,Rachel Greenwald Smith,Michael Everton,Christine Bold,2022-04-13 Covering American literature from its pre contact Indigenous beginnings through the Reconstruction period the first two volumes of The Broadview Anthology of American Literature represent a substantial reconceiving of the canon of early American literature Guided by the latest scholarship in American literary studies and deeply committed to inclusiveness social responsibility and rigorous contextualization the anthology balances representation of widely agreed upon major works with an emphasis on American literature's diversity variety breadth and connections with the rest of the Americas Highlights of Volume B 1820 to Reconstruction Complete texts of Narrative of the Life of Frederick Douglass An American Slave and Benito Cereno In depth Contexts sections on such topics as Nature and the Environment Expansion Native American Expulsion and Manifest Destiny Gender and Sexuality and Oratory Broader and more extensive coverage of African American oral literature than in competing anthologies Full author sections in the anthology are devoted to authors such as George Moses Horton Jane Johnston Schoolcraft Jos María Heredia Black Hawk and many others *The British National Bibliography* Arthur James Wells,2009 Nineteenth-Century Literature Criticism Russel Whitaker,Kathy D.

Darrow,2007-05 A convenient source of critical commentary on the careers and works of acclaimed authors who died between 1800 and 1899 A cumulative title index is published separately included in subscription **Melville's Short Fiction, 1853-1856** William B. Dillingham,2008 This study treats comprehensively the sixteen short works of fiction that Herman Melville wrote between 1853 and 1856 most of which were published in Harper s and Putnam s magazines Concentrating on the writer s two basic motivations for writing as he did in these stories Dillingham argues that Melville created a surface of almost inane congeniality in many of the works an illusion of vapidty that camouflages a profundity often missed by his readers He sought to to hide disturbing themes because the magazines for which he was writing would almost certainly have rejected his attempts to be more direct Dillingham s method is not however confined to a reading of the texts Melville s stories contain so many allusions to the contemporary scene that they constitute in themselves a cultural study An important contribution of Melville s Short Fiction is its discussion of these allusions Finally Dillingham examines the relationship between the short fiction and Melville s own life Much of the writer s frustration and struggle is concealed in these early works Melville s friendship with Hawthorne for example an intense and yet in some ways disappointing relationship for both men is explored as an important influence on several of the stories **Herman Melville** Tetsumaro Hayashi,1987 **Uncle Tom's Cabin** Harriet Beecher Stowe,2010 One of the most important activist texts in American Literature is now available in a thoroughly updated and revised Norton Critical Edition In the nineteenth century Uncle Tom s Cabin sold more copies than any book in the world except the Bible Upon publication it was quickly translated into thirty seven languages and has never gone out of print It remains a controversial and complex text that along with David Walker s Appeal Henry David Thoreau s Walden W E B DuBois s The Souls of Black Folk and Helena Mar a Viramontes Under the Feet of Jesus among others stands out as an important text in the progressive struggle for social justice in the United States This Second Edition is based on the original 1852 book edition published in two volumes by John P Jewett and Company Boston and includes all original illustrations The text is accompanied by a preface and detailed explanatory annotations to assist the reader with obscure historical terms and biblical allusions Backgrounds and Contexts includes a wealth of historical documents addressing the issues of slavery and abolitionism New visuals in the Second Edition include a selection of abolition posters and records of torture Also newly included is J Hector St John de Cr vecoeur s eyewitness account of slavery as a visitor to the United States a selection from David Walker s Appeal and Henrietta King s autobiographical account of the horror of slavery Criticism presents a balanced view of the ongoing controversy over Uncle Tom s Cabin in fifteen reviews and scholarly interpretations spanning more than 150 years of writing about the novel Paul Laurence Dunbar Jane P Tompkins and Susan M Ryan among others admire Uncle Tom s Cabin for its social vision and artistry while James Baldwin and Sophia Cantave among others argue that the book s racism continues to promote misperceptions and that its prominence does ongoing damage A Chronology of Stowe s life and work a Brief Timeline of Slavery in America and an updated Selected

Bibliography are also included
