Supermarket Healthy Melissa d'Arabian, Raquel Pelzel, 2014-12-30 Food Network star and New York Times bestselling author Melissa d'Arabian proves that healthy eating at home is easy, achievable, and affordable. Everyone wants to feel good about what they are eating, serving guests, and feeding their families, but most of us don't do our weekly shopping at pricey specialty stores; we do it at the local supermarket, and we don't want to break the bank. In her second book, Melissa demystifies the task of preparing nutritious and delicious food by showing exactly how you can make your grocery store work for you. She offers helpful strategies for shopping, cooking, and entertaining, as well as meal blueprints and nutritional information throughout. This book will make you confident about the food you're buying, preparing, and eating. Delicious recipes like Almond Waffles with Raspberry Basil Sauce, Kale and White Bean Caesar Salad in a Jar, Slow Roasted Tomato Spaghetti, Flatiron Steaks with Quick Cauliflower Kimchi, and Flourless Fudgy Dream Cookies have something for every type of eater at every meal of the day. No matter your favorite flavors or dietary needs, cooking on a budget is empowering, and now you can learn how to make every bite count. If cooking at home is the key to healthy living, **Supermarket Healthy** is the only tool you'll need.

Tasting Grace Melissa d'Arabian, 2019-09-10 The winner of The Next Food Network Star season five and New York Times best-selling author of Ten Dollar Dinners shares how God used food to invite her into His love. It wasn't until Melissa d'Arabian evaluated her relationship with food in light of her relationship with God that she began to appreciate food as not only a gift from Him but also as a deeper invitation into His love. As she prayed, studied Scripture, and reflected on the stories from her own life, Melissa saw how God had used food to draw her into community, to redeem her moments of greatest tragedy, and ultimately to connect her more to Him. In **Tasting Grace**, Melissa shares sixteen invitations that will transform your perception of food and the role it plays in your own life, from equality to connection to hospitality to stewardship and more. She explains how, through her experiences, she learned to trust the ingredients in recipes and in life, and join God in the act of creation. Whether you are a mom struggling to throw together a healthy meal for your family each night or a single woman longing for fellowship around your table, you will draw encouragement and inspiration from Melissa's reminder that all food, first and foremost, is a gift from God. When you return to Him as the source, you will find the freedom to enjoy His beautiful and delicious creation. Advance praise for **Tasting Grace**. What a beautiful book. Using stories of her own triumphs and pain, Melissa digs past the surface layers of food as we see it on television, in cookbooks, and on social media. Rather, she helps us think about it in a whole new way, as nothing short of a spiritual force, a vessel through which we can experience and extend compassion, comfort, fellowship, love, enjoyment, and grace. It has given me a brand new lens with which to examine the deeper significance of the food I cook, eat, and share. Ree Drummond, author of *The Pioneer Woman Cooks*. The intersection between faith and food is endlessly interesting to me, and Melissa articulates the significance and beauty of that intersection so well. Melissa is a great storyteller, and she invites us
