Recollections of My Life as a Woman Diane Di Prima, 2001 My earliest sense of what it means to be a woman was learned from my grandmother Antoinette Mallozzi and at her knee She smelled of lemons and olive oil garlic and waxes and mysterious herbs I loved to touch her skin So begins Diane di Prima's memoir in which she explores the first three decades of her life and how she came to define herself as a woman She grew up in Brooklyn in the 1930s and 40s in an Italian American family and only by heroic effort was she able to break away and follow through on a lifelong commitment to become a poet first made when she was in high school BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Lincoln Library of Essential Information ,1929

My Life Bill Clinton, 2004-06-22 President Bill Clinton's My Life is the strikingly candid portrait of a global leader who decided early in life to devote his intellectual and political gifts and his extraordinary capacity for hard work to serving the public It shows us the progress of a remarkable American who through his own enormous energies and efforts made the unlikely journey from Hope Arkansas to the White House a journey fueled by an impassioned interest in the political process which manifested itself at every stage of his life in college working as an intern for Senator William Fulbright at Oxford becoming part of the Vietnam War protest movement at Yale Law School campaigning on the grassroots level for Democratic candidates back in Arkansas running for Congress attorney general and governor We see his career shaped by his resolute determination to improve the life of his fellow citizens an unfaltering commitment to civil rights and an exceptional understanding of the practicalities of political life We come to understand the emotional pressures of his youth born after his father's death caught in the dysfunctional relationship between his feisty nurturing mother and his abusive stepfather whom he never ceased to love and whose name he took drawn to the brilliant compelling Hillary Rodham whom he was determined to marry passionately devoted from her infancy to their daughter Chelsea and to the entire experience of fatherhood slowly and painfully beginning to comprehend how his early denial of pain led him at times into damaging patterns of behavior President Clinton's book is also the fullest most concretely detailed most nuanced account of a presidency ever written encompassing not only the high points and

crises but the way the presidency actually works the day to day bombardment of problems personalities conflicts setbacks achievements It is a testament to the positive impact on America and on the world of his work and his ideals It is the gripping account of a president under concerted and unrelenting assault orchestrated by his enemies on the Far Right and how he survived and prevailed It is a treasury of moments caught alive among them The ten year old boy watching the national political conventions on his family's new and first television set The young candidate looking for votes in the Arkansas hills and the local seer who tells him Anybody who would campaign at a beer joint in Joiner at midnight on Saturday night deserves to carry one box You'll win here But it'll be the only damn place you win in this county He was right on both counts The roller coaster ride of the 1992 campaign The extraordinarily frank exchanges with Newt Gingrich and Bob Dole The delicate manipulation needed to convince Rabin and Arafat to shake hands for the camera while keeping Arafat from kissing Rabin The cost both public and private of the scandal that threatened the presidency Here is the life of a great national and international figure revealed with all his talents and contradictions told openly directly in his own completely recognizable voice A unique book by a unique American **Memoirs of My Life and Writing** Edward Gibbon, 2011-09-13 This anthology is a thorough introduction to classic literature for those who have not yet experienced these literary masterworks For those who have known and loved these works in the past this is an invitation to reunite with old friends in a fresh new format From Shakespeare's finesse to Oscar Wilde's wit this unique collection brings together works as diverse and influential as *The Pilgrim's Progress* and *Othello* As an anthology that invites readers to immerse themselves in the masterpieces of the literary giants it is must have addition to any library **My Life as Author and Editor** Henry Louis Mencken, 1993 After 35 years in a sealed vault the autobiography of America's great social and literary critic at last comes to light Full of revealing anecdotes and biting observations these pages make abundantly clear why he was our greatest social commentator and why he has had an enduring impact on American society and writing New Outlook, 1907 Memoirs and Artistic Studies of Adelaide Ristori Adelaide Ristori, Luigi Donato Ventura, 1907 Memoirs of famous Italian actress during the Victorian era concentrating on her portrayal of famous queens and other leading roles The Publishers' Circular and Booksellers' Record, 1912 **The Outlook** Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1907
