

Les milles vies du Têtard

Aussi incroyable que cela puisse paraître, les aventures que vous allez lire sont parfaitement authentiques.

Grâce à la plongée sous-marine, pratiquée en professionnel, Gabriel Di Domenico, alias « Le Têtard » a vécu mille vies ! Avec un talent de conteur exceptionnel, il en livre les épisodes les plus truculents et les plus rocambolesques...

Il récupère de l'or et des diamants au fond d'un lac africain, traque l'or rouge et les « bibis », pille des épaves et leurs amphores. La faim le pousse au braconnage sous marin...

Il nous raconte aussi le Marseille d'hier, où le gamin qu'il était a commis mille sottises avant de trouver sa voie, dans l'amour de la mer dont il fait un mode de vie, un peu en marge, envers et contre tous.

En particulier les "darlans", surnom des gendarmes maritimes, qui le traqueront sans relâche avant de faire avec lui... la paix des braves.

Récit d'une formidable épopée : celle de la plongée professionnelle, de Cousteau à la Comex, de la réparation navale à l'exploitation du pétrole offshore.

Récit d'une formidable épopée : celle de la plongée professionnelle, de Cousteau à la Comex, de la réparation navale à l'exploitation du pétrole offshore.

Précédemment édité sous le titre « le Dido », ce quatrième volume des Mémoires du Têtard peut se lire indépendamment des précédents volumes, plébiscités par nos lecteurs.

Lisez les tous ! Vous ne le regretterez pas.
