# Les Secrets De La Grande Guerre

**C. Leroux, Jean d' Alsace**

## **Les Secrets De La Grande Guerre:**

**Les secrets de la Grande Guerre** Rémy Porte, 2013-12-19 Pourquoi les soldats français sont-ils les seuls à entrer en guerre en août 1914 avec une tenue si voyante le pantalon garance ? Que doivent les Alliés aux centaines de modestes caboteurs et chalutiersquisitionnés en Méditerranée ? Pourquoi une poignée de soldats belges a-t-elle fait le tour du monde en guerre dans des conditions parfois rocambolesques entre 1915 et 1918 ? Quelle bataille faillit coûter à Churchill sa carrière politique ? Contrairement à ce que l'on pourrait penser la guerre de 14-18 nous cacherait-elle encore des secrets ? Rémy Porte nous montre qu'il reste encore beaucoup à découvrir sur ce conflit majeur. Exploitant des archives inédites ou peu connues, notamment des témoignages des acteurs et des témoins, l'auteur met en lumière une vingtaine d'épisodes diplomatiques, militaires ou politiques éclairant sous un angle nouveau ce conflit que l'on aura jamais fini de redécouvrir. **Les secrets de la Grande Guerre** Épa Éditions, Éditions du Chêne, 2013-10-16 La Grande Guerre a traumatisé le monde entier par ses normes, pertes humaines et matérielles. Au travers de plus de 200 illustrations et 26 fac-similés de documents inédits, pour la plupart inédits, cartes postales, lettres de poilus, affiches, documents officiels, unes de journaux, ce livre, objet passionnant, invite à un retour sur cet événement marquant et douloureux du XX<sup>e</sup> siècle. La grande revanche Camille LeRoux, 1919

**Les campagnes de France** C. Leroux, Jean d'Alsace, 1909 **Les Indiens d'Amérique du Nord dans la Grande Guerre** Jacques Rouzet, 2017-10-25 Les tranchées de la Grande guerre fourmillaient de soldats français et étrangers. Parmi eux, les Indiens d'Amérique du Nord sont arrivés en nombre. Dès 1914, 4 000 Indiens du Canada débarquent en France, et en 1917, 15 000 Indiens des États-Unis les rejoignent, retrouvant ainsi leur dignité de guerriers. Comment ont-ils été recrutés ? Quelles étaient leurs compétences particulières ? Quelles tâches ont-ils été employés ? Sioux, Cheyennes, Comanches, Apaches, Crows, Choctaws, Blackfeet, Navajos combattirent au coude à coude avec les Doughboys ou les Tommies, les Tirailleurs sénégalais et les Australiens. Ceux qui n'avaient pas même la nationalité américaine ils se sentirent pleinement Américains pour combattre les soldats du Kaiser et mourir couverts de boue dans les tranchées. C'est leur histoire mouvementée et superbe que nous raconte dans un livre tout public et néanmoins extrêmement documenté Jacques Rouzet, grand spécialiste des tribus natives. Jacques Rouzet est diplômé des Hautes études cinématographiques et a travaillé successivement au département de la fiction TF1 puis la direction littéraire et artistique d'une maison de production. Son ancien combattant de 14-18 aimait voquer le temps où les dernières charges de cheval croisaient la route des premiers blindés. Depuis, l'auteur reste fasciné par les situations d'anachronisme qui servent l'histoire et les guerres. La Grande plus que tout autre signe ses yeux la fin du monde d'hier selon la belle expression de Stefan Zweig. Une photo de l'illustration montrant Pershing sur un quai du Havre encadré par quatre cavaliers sioux est l'origine de sa passion pour ces fils de Sitting Bull et de Geronimo plongés au cœur d'un conflit mondial sans précédent. *Les Livres de L'année*, 1923 **Les fausses nouvelles de la grande guerre** Lucien Graux, 1919

The Second Battle of the Marne Michael S. Neiberg, 2008-04-09 The First Battle of the Marne produced the so-called

Miracle of the Marne when French and British forces stopped the initial German drive on Paris in 1914. Hundreds of thousands of casualties later with opposing forces still dug into trench lines the Germans tried again to push their way to Paris and to victory. The Second Battle of the Marne, July 15 to August 9, 1918, marks the point at which the Allied armies stopped the massive German Ludendorff Offensive and turned to offensive operations themselves. The Germans never again came as close to Paris nor resumed the offensive. The battle was one of the first large multinational battles fought by the Allies since the assumption of supreme command by French general Ferdinand Foch. It marks the only time the French, American and British forces fought together in one battle. A superb account of the bloody events of those fateful days, this book sheds new light on a critically important 20th century battle. Women's Identities at War Susan R.

Grayzel, 2014-03-19. There are few moments in history when the division between the sexes seems as natural as during wartime: men go off to the war front while women stay behind on the home front. But the very notion of the home front was an invention of the First World War when for the first time home and domestic became adjectives that modified the military term front. Such an innovation acknowledged the significant and presumably new contributions of civilians, especially women, to the war effort. Yet as Susan Grayzel argues throughout the war, traditional notions of masculinity and femininity survived primarily through the maintenance of and indeed reemphasis on soldiering and mothering as the core of gender and national identities. Drawing on sources that range from popular fiction and war memorials to newspapers and legislative debates, Grayzel analyzes the effects of World War I on ideas about civic participation, national service, morality, sexuality, and identity in wartime Britain and France. Despite the appearance of enormous challenges to gender roles due to the upheavals of war, the forces of stability prevailed, she says, demonstrating the Western European gender system's remarkable resilience. *Les chemins de la mémoire*, 2012. Researching World War I Robin Higham, Dennis E. Showalter, 2003-12-30. World War I was the greatest cataclysm Europe had ever known, directly involving 61 million troops from 16 nations. Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized. Written by highly respected authorities, this book discusses the literature on all aspects of the war, making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature. The struggle mobilized manpower from home, troops from the colonies abroad, and in most countries, women as well as men. Governments increasingly intervened in everyday life. New weapons and organizational structures were developed. Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized. Written by highly respected authorities, this book discusses the literature on all aspects of the war. Dennis Showalter's opening chapter covers the controversial issue of the war's origins, a complex subject that has been much debated by historians. Ensuing chapters consider the literature on each of the participating countries. The broader subjects of the war at sea and the war in the air are also covered. Daniel Beaver's final chapter discusses the mobilization of industry and the new military technology. This book is

an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature

Annual Supplement to the Catalogue of the Library of Parliament in Alphabetical and Subject Order Canada. Library of Parliament,1918      **A Check List of the Literature and Other Material in the Library of Congress on the European War** Library of Congress. Division of Bibliography,1918      **Annual Supplement to the Catalogue of the Library of Parliament in Alphabetical and Subject Order** Canada. Library of Parliament,1915      *Les provinces inébranlables* Georges Ducrocq,1913      **Grand Larousse encyclopédique** ,1969      Check List Of The Literature And Other Material In The Library of Congress United States,1918 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Singing Our Way to Victory* Regina M. Sweeney,2023-09-05 Winner of the International Book Award from International Association for the Study of Popular Music 2003 The practice of singing and songwriting in France during the Great War provides an intriguing tool for the exploration of the French cultural politics of the epoch Responding to the dearth of cultural studies of the First World War Regina Sweeney's unique cross disciplinary study illuminates many of the hitherto unexplored corners of an era that many historians consider to exhibit a break with recognizable trends In early twentieth century Europe singing was considered a part of education integral to the formation of good citizens Singing was especially important to the French for whom it was historically associated with authenticity of feeling and purity of character and thereby with the very roots of French democracy it was particularly associated with the image of France as a victorious nation But as Sweeney shows different performances of the same patriotic song could carry vastly different meanings By focusing on singing Sweeney is able to provide a more nuanced reading of French Great War cultures than ever before and to show that cultures previously held to be exclusive those of the home front and the Western front for example existed in dialectical tension and were themselves far from homogenous      Catalogue général de la librairie française: 1913-1915, auteurs : A-Z ,1908      **A Check List of the Literature & Other Material in the Library of Congress on the European War** Library of Congress. Division of Bibliography,Herman Henry Bernard Meyer,1919
