## Science

**Materials:** Look at the different materials in the story, ideas for clothes, glass shoes, pink castle etc. Investigate different materials for shoes and the pros and cons for each of them. For example, rubber are made of rubber to make them waterproof but they aren't always the most comfortable or easy to run in. Toppers are good for keeping and using up all it because they are made from leather and fabric but are not good for walking in the mud. Look at the different materials you can use in your classroom.

## Mathematics

**Time:** In the story Cinderella has to be careful of the time. Look at half past and o'clock time with the help of clocks and half past clock face for o'clock work.

Another fun way to teach time is through target games such as bingo and matching games.

**Traditional story reader:** Think of word problems that involve the story of Cinderella and any other traditional stories they might know. For example 'Cinderella needed 1 shoe, she had 100 shoes, how many more did she need?'

Or 'Cinderella was her stepmother once on Tuesday and 1 time on Wednesday, how many times did she see her stepmother?'

## Art

**Design and create a castle where Cinderella lives,** using recycled materials. **Drawing -** design and create finger or hand puppets of the characters in the story. Make the puppet theatre and retell the story.

## PE

**Building:** The tale shows truly Cinderella in the story so use this as a platform for a building topic. Start off with these **discussion cards** to get initial thoughts on building from the children.

- This worksheet allows children to think of people they might want to go to if they are being bullied and allows the teacher to return the children who is available in school.

- These **writing frames** are good for explaining how words can hurt other people and can make people feel different things.

- Use these cards as part of a display to help children remember how to behave and be a good friend.

- Get children to think of different ways people can bully. This is a helpful worksheet to get the children thinking.

## Geography

Look it with history and see if there are any other versions of Cinderella and compare them. Then investigate the country where it comes from, for example there is an Irish version of the story so look at Irish culture and compare it to British culture. Use the map to mark where in the world there are different versions of the Cinderella story.
