

Lessons Learned

The process of reflecting on projects, events, experiences and situations in order to capture what you have learned.

Overview

- Taking time to reflect on projects, events and initiatives to capture what has worked well and what has failed.
- Appreciative inquiry that focuses on finding positive things that have worked and scaling them in future.
- The process of identifying, analyzing, documenting and communicating *areas for improvement* so that mistakes aren't repeated by future initiatives.
- All stakeholders are given a chance to contribute. Likewise, lessons learned are documented and communicated to all stakeholders.

Examples

1. Identifying issues and problems that occurred.
2. Analyzing the root cause of each problem.
3. Documenting how problems could be avoided by similar initiatives in the future.
4. Assigning action items for resolving any outstanding problems.
5. Identifying things that worked well and opportunities to build this out.
6. Listing possible improvements to processes, procedures and practices.

† Lessons learned is not about assigning blame or pointing to shortcomings but is rather oriented towards improving things in the future.

Lessons I Learned From God:

The Process to the Promise Brian Rhodes, 2016-04-14 The Process to the Promise is a straightforward read about how receiving the promises of God is seldom an easy journey With anything worthy comes hard work strong faith and a process that must be endured From conception to realization God has a perfect plan and lessons to be learned Are you ready to walk the path God has prepared for you Are you willing to take the good with the bad How about the great with the terrible If you are this collection is for you Biblical and personal examples from the life of our author have been woven into a map that will help the reader navigate from beginning to end This book will challenge guide and give you hope knowing if God promised it He will deliver it **Fourteen Lessons in Yogi Philosophy and Oriental Occultism** Ramacharaka, 1911 **Lessons Learnt in Italy and the Riviera** John Benjamin Figgis, 1882 **Thoughts in the Valleys: Lessons from Valleys of the Old Testament** William Henry Dawson, 1884 **The Sum of All Things: Connecting with the Spirit and God in Us All** Derek L. Gray, 2016-10-05 Have you ever had a moment that redefined everything you thought to be true about life family and faith Derek L Gray had such a moment in the fall of 2014 when he suffered a series of personal and professional setbacks that left him seeking answers to life s biggest questions He was greeted by God and a host of spiritual guides more than happy to provide answers In this book he acts as a messenger of God sharing what he learned over the course of two years During that time he spoke with angels witnessed life hours after his birth observed life before he was born and crossed the veil to speak to his dad again These amazing experiences along with working side by side with his spiritual mother Liese and his spiritual guide Harman shape the life changing messages in this book If you ve always been convinced that we can learn nothing more about God than what is written in the Bible then open your mind to new ideas **Lessons God Taught a Simple Man** R A Durdell, 2021-04-05 The tree in my front yard has green leaves if a voice is telling me they are blue the voice is lying to me The rose bush has pink flowers if a voice is telling me they are brown the voice is lying The lilac has lavender flowers green leaves the stems are gray if I am told anything different the voice is lying If I go to God in prayer and a voice is telling me something contrary to what God s written Word says the voice is lying and it isn t God speaking to me Even Jesus when His ministry started being tempted by the devil had a voice telling Him something contrary to what God s Word says In Luke 4 4 Jesus responded to the devil No The Scripture says Please don t just listen to any voice What does scripture say If it is God s voice you are hearing it will have God s Word as its witness God doesn t lie God will not tell you it is okay to do something contrary to His Word This is how we know what God is saying which will be different from what the devil is saying God s written Word confirms what we are hearing The Lessons God Taught a Simple Man comes from moments like this I spent time listening to God and aligning it with His Word Then I followed His direction and put it to pen This book was written with a desire to share what God has taught me I wanted you to know that you are not alone God will speak to you as He spoke to me May the love of our Lord and Savior Jesus Christ cause you to abound unto every good work Those that have

ears let them hear Richard Durdell loves Jesus Christ the Son of Living God who is his Lord and Savior with his whole heart In the 1980 s Richard went to college but didn t graduate He has some education however he by no means is a theologian Richard considers himself to be blue collar as many of you that read this book may be The words written down may not always flow fluently but they are the words that God has given him Richard prays you understand as he has understood

Seeking God In All Things William Reiser, 2004-05-01 The practice of spiritual direction assumes a theology of the Holy Spirit a theology of revelation and of the Church and a theology of prayer *Seeking God in All Things* explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive Since not every experience of God bears a Christian imprint William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God Chapters are It Is God Who Directs Imagining Divine Action in Human Lives Where Do Holy Desires Come From What s Distinctive About the Christian Religious Experience Further Elements of Christian Distinctiveness The Incarnation as a Starting Point for Spiritual Direction and Should Christian Spirituality Move Beyond Jesus William Reiser SJ PhD is a professor of theology in the religious studies department at Holy Cross College Worcester Massachusetts Over the past twelve years he has also served as an associate staff member at the Center for Religious Development in Cambridge He is the author of *Jesus in Solidarity with His People* published by Liturgical Press

Contentment, Prosperity, and God's Glory Jeremiah Burroughs, 2013-04-20 Why is it difficult to be content when you have so much On the surface it seems unnecessary to instruct someone to be content in times of prosperity However times of prosperity and abundance provide some of the strongest temptations to pull our hearts away from God Jeremiah Burroughs was keenly aware that the riches of this world compete for our affections and challenge our contentment in Christ Originally prepared as an appendix to *The Rare Jewel of Christian Contentment* this book provides an important conclusion to Burroughs s sermon series on Philippians 4:11-12 I have learned in whatsoever state I am therewith to be content I know both how to be abased and I know how to abound every where and in all things I am instructed both to be full and to be hungry both to abound and to suffer need
