10.09.2025

Dear Arthur,

When I took you in my arms for the first time, it was the most beautiful day of my life. And I feel so happy when I look at you because you are not just a great boy to look at but also a wonderful human being inside.

Your dad and I always feel so proud of you that you have always followed what we have taught you. With time passing by, things are going to change, you will also change with time, but I am sure that you will always be a wonderful person at heart because inside you are still very innocent and warm.

I just want to tell you that as you will grow older, you will have more challenges to face, you will have more issues to take care of. But my child, never fear, never lose hope, always have faith in yourself and things will get fine. Remember that no phase is constant and things change. If you are having a bad time now, it will be a good time tomorrow. Situations are not under your control but reaction to those situations is definitely in your hands. You have no control over what will be the result of your actions but your efforts are always in your reach.

I know you are very strong and you will always do good in life but as your mom, I just want to tell you that your dad and I have complete faith in you. We trust your dreams and we will always be there to support whatever you wish to do. Never feel hesitant in sharing what's on your mind as we will always be there to help you.

I just want to say that don't give up to situations and always stand strong like a warrior!!!

We love you with our heart and soul and we are lucky to have you as our son.

With lots of love,

Your Mom

Letter Of Encouragement To My Son:

Letters of Encouragement From a Mother to Her Son Margie Lee Perkins Davis, 2018-07-27 Letters of Encouragement from a Mother to Her Son is pretty much made up of nine letters that were written by a mother to her only child her son who has to spend time locked away from family Out of the nine letters the last one has not yet been read by my son By this time if you are reading this my son has also After each letter there are scriptures and teaching that one could ponder on and apply to their life so that they may be encouraged and lifted up and know that they are not alone Most of us young and old never pick up a Bible so God has appointed those that are led by the Holy Spirit to be a light to the world I pray that this book will reach and bless many who read it and I pray that those who apply the Word of Jesus to their life will be encouraged and changed in a way that draws them closer to Jesus Christ Maybe they would even give their life to Jesus if they haven't already then assemble themselves around those who love the Lord so that they may continue to grow in the Lord our God and pass it on to the next spreading the love of God Amen Be encouraged Letters of Encouragement Warner Doles, 2010-09 In Letters of Encouragement Dr Warner Doles has provided not merely an explanation of selected scriptures but a guide to the believer's everyday life of faith He has interspersed his writing with scriptural quotes words from the original languages and his own down to earth comments in his own earthy prose He writes as a scholar who can discern and analyze God's message of the Bible and as a gentle shepherd who explains his analysis to the lay Christian in an understandable way I recommend letters as a book that the serious believer will want to read more than once Jere Geurin Morehead City NC In my opinion it is a great light expository commentary The Greek explanations have been used in such a way that any one can understand the text and feel the power of the original language I expected just a short encouraging book and got both the encouragement of the scripture and Dr Doles commentary on the text I recommend it to all pastors teachers and laypersons Rev Robert Wise Creekside Community Church Bessemer City NC **A Letter to My Son** Deborah Stevens-Peebles, 2021 As a black mother raising black children it is important to my husband and me to be the first and loudest voices of affirmation for our children Do you have some things that you want to say to a young person in your life but want to find a way to say and savor the sentiment Do you absolutely adore your children but have trouble communicating that to them Are you comfortable with communicating but wish to encapsulate your wisdom desires or emotion of that moment for your child's future reference Whether prompted by their 1st 13th or 18th birthday graduation tragedy current or other important event in their life OR frankly yours let me help you capture your precious thoughts words of wisdom and wants in writing for your loved ones Letters to Young Black Men Daniel Whyte, III, 2005-08-01 Provides a collection of letters to young black men offering advice and encouragement A Gift for My Son Mary Wuestefeld, 2000 Many years ago I was one of those naive expectant mothers who thought that a simple formula of faith love and discipline would produce the perfect child Those who had a problem child I surmised either didn't have enough religion in their home didn't love their

child enough or didn't discipline him/her enough. So when much to my dismay and perplexity my child began to display chronic problem behaviors I blamed myself. To make matters worse the counselors we sought out for help blamed me also. As I searched for answers during this difficult time however I discovered many things about myself, my son, human nature and God that profoundly changed my views on parenting and religion. My discoveries also led to a better understanding of God's unconditional love and enabled me to give this most precious of all gifts to my first born child. My life has been tremendously blessed by going through this most challenging experience and I hope as you read my story that your life and your parenting experience will be enriched also.
