

As a normal person, I also have my own ambition. My ambition is to become an engineer. It is not just an ambition but I want it to become a reality to my life. It is true that years of hard work are required to become an engineer, but after of four years of college studying engineering, you can make good money. In fact, engineering is one of the few fields that let you earn good pay after only four years. Besides, it's not all about the money. It is also an interesting work.
