

The Kite Runner Study Guide Addendum

Student Outreach for Shelters (SOS) Program

Overview

The intent of this addendum is to provide educators with additional options and activities when planning instruction associated with *The Kite Runner* (TKR) and the Student Outreach for Shelter (SOS) program. The questions listed here explore some questions from the original study guide in more depth, and also explore the themes of silence, shame and courage.

Activities to Provide a Political, Cultural and Historical Overview

- **United Nations information review** – Include a review of the United Nations High Commissioner for Refugees (UNHCR) site – <https://www.unhcr.org/cgi-bin/texts/vtxu/home> – in an overview of the geography, history and culture of Afghanistan. See also resources included in TKHF Additional Resources.
- **Novel timeline** – Use an online timeline maker (e.g. www.dipity.com or xtimeline.com) or attach a long piece of butcher paper to one wall of the classroom. Have students create a timeline of events of recent Afghan and US history. As students read the novel, have them add events to the timeline. How do the timeline events compare / contrast?

Note: It may be helpful to divide TKR into three parts, in terms of setting and theme. (In the first section, Hosseini recreates a nostalgic childhood during the last days of Zahir Shah. The second part explores Afghan emigration during the Soviet occupation. The final section explores the Taliban's Afghanistan.) Students can add a fourth section on the timeline that takes place after the novel ends. (In 2002 Amir and Sohrab fly the kite; in Oct 2001 US commences bombing of Taliban.) Students can view an interactive timeline of the US involvement in Afghanistan at http://www.msnbc.msn.com/id/33210358/ns/world_news-south_and_central_asia/ (See TKHF Lesson: Introduction to Afghanistan for a detailed timeline lesson.)

- **Ethnic diversity analysis** – Have students learn about the ethnic diversity in Afghanistan by researching online or by visiting these links (Library of Congress 2008 study) <http://lcweb2.loc.gov/frd/cs/profiles.html> and (PBS lesson) <http://to.pbs.org/e4P9tzK>. What languages are spoken? What issues could arise due to the existence of the different ethnic groups? How is this different or similar to the caste system in India, i.e. are there economic or power hierarchies among the ethnic groups? Are there equivalents in the United States? See also resources listed in TKHF Additional Resources. (See TKHF Lesson: Introduction to Afghanistan for a greater exploration of this topic.)
- **Landmines analysis** – Have students review information from the International Campaign to Ban Landmines – <http://www.icbl.org/index.php> – and also locate additional articles on web to check landmine statistics. In addition to understanding how the landmine problem would impact the citizens of Afghanistan, have students explore how the prevalence of landmines would impact refugees returning home. Would they be impacted differently? Have students add landmines to a map of Afghanistan to show the prevalence in different regions and incorporate into their presentation. Have students prepare a PowerPoint presentation, blog post or wiki page on the information learned.
