of view *A History of New York* is a chronicle of New York's fifty years under Dutch rule in the 1600s that plays fast and loose with the facts to uproarious effect. Irving's good humored spoofing had staying power and his satire provided the city with its first self portrait. *A History of New York* propelled Irving to the heights of literary stardom and even made a little history of its own. New Yorkers are called Knickerbockers to this day. *Knickerbocker's History of New York (1809)* by Washington Irving, 2017-01-30. Washington Irving, an author, biographer, historian, and diplomat, completed his first major work, a satire of contemporary local history and politics entitled *A History of New York from the Beginning of the World to the End of the Dutch Dynasty* by Diedrich Knickerbocker in 1809. Prior to its publication, Irving started a promotional hoax not unlike some modern day publicity stunts by placing fake missing persons advertisements in local newspapers asking for help in locating Diedrich Knickerbocker. As a continuation of the hoax, Irving also published a notice purported to be written by the proprietor of the hotel where Knickerbocker was staying in which he threatened to publish a manuscript left behind by Knickerbocker if the hotel bill was not paid. *Knickerbocker's History of New York* Washington Irving, 2020-10-07. According to the best authorities, the world in which we dwell is a huge opaque reflecting inanimate mass floating in the vast ethereal ocean of infinite space. It has the form of an orange being an oblate spheroid curiously flattened at opposite parts for the insertion of two imaginary poles which are supposed to penetrate and unite at the center, thus forming an axis on which the mighty orange turns with a regular diurnal revolution. The transitions of light and darkness whence proceed the alternations of day and night are produced by this diurnal revolution successively presenting the different parts of the earth to the rays of the sun. The latter is according to the best that is to say, the latest accounts, a luminous or fiery body of a prodigious magnitude from which this world is driven by a centrifugal or repelling power and to which it is drawn by a centripetal or attractive force, otherwise called the attraction of gravitation, the combination or rather the counteraction of these two opposing impulses producing a circular and annual revolution. Hence result the different seasons of the year viz spring, summer, autumn, and winter. This I believe to be the most approved modern theory on the subject, though there be many philosophers who have entertained very different opinions, some too of them entitled to much deference from their great antiquity and illustrious characters. Thus it was advanced by some of the ancient sages that the earth was an extended plain supported by vast pillars, and by others that it rested on the head of a snake or the back of a huge tortoise, but as they did not provide a resting place for either the pillars or the tortoise, the whole theory fell to the ground for want of proper foundation. **Knickerbocker's History of New York** Washington Irving, 2023-12-04. In *Knickerbocker's History of New York*, Washington Irving craftily weaves a satirical narrative that explores the early history of New York City through the eyes of the fictional historian Diedrich Knickerbocker. Emphasizing a blend of humor and historical commentary, Irving's prose showcases the idiosyncrasies of Dutch settlers and the evolution of American identity in a burgeoning nation. The literary style is characterized by its playful tone, playful anachronisms, and rich anecdotal storytelling, positioning the text as a forerunner of

American historical fiction and folklore while also poking fun at social mores of his time Washington Irving often regarded as the first American storyteller drew from his own experiences and the rich tapestry of American history which was still taking shape during the early 19th century His keen interest in exploring American cultural and historical themes alongside his penchant for humor and wit arguably stemmed from his upbringing in New York and his admiration for the diverse heritage of the city Irving s ability to blend fact with fiction laid the groundwork for future generations of American writers

Knickerbocker s History of New York is a delightful read for anyone interested in history satire or the roots of New York City itself Irving s clever narrative invites readers to reflect on their own historical identity while enjoying a whimsical yet insightful portrayal of a crucial period in America s past Highly recommended for scholars and casual readers alike this work remains a timeless exploration of cultural heritage **Knickerbocker's History of New York** Washington

Irving,2020-07-14 We are delighted to publish this classic book as part of our extensive classic literature collection This book is a reproduction of an important historical work Unlike some other reproductions of classic texts We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos Also in books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy We use state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Published to popular acclaim in 1809 this satire considered the first important contribution to American comic literature was Washington Irving s first book It begins by relating the creation and population of the world including the discovery of what would become New York It ends by recording the eventual fall of the Dutch dynasty **Knickerbocker's History of New York**

Washington Irving,2020-02-27 Knickerbocker s History of New York is a satire on self important local history and contemporary politics Prior to its publication Irving started a hoax akin to today s viral marketing campaigns he placed a series of missing person adverts in New York newspapers seeking information on Diedrich Knickerbocker a crusty Dutch historian who had allegedly gone missing from his hotel in New York City As part of the ruse Irving placed a notice allegedly from the hotel s proprietor informing readers that if Mr Knickerbocker failed to return to the hotel to pay his bill he would publish a manuscript Knickerbocker had left behind *Knickerbocker's History of New York* Washington Irving,2019-05-30 In 1809 New Yorkers were buzzing about a series of classified ads concerning the whereabouts of Dutch historian Diedrich Knickerbocker They were unaware that Washington Irving had invented the man entirely and placed the ads himself Knickerbocker s purported manuscript A History of New York was Irving s own Told from Knickerbocker s point of view A

## **Knickerbocker S History Of New York Complete Introduction**

In today's digital age, the availability of Knickerbocker S History Of New York Complete books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Knickerbocker S History Of New York Complete books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Knickerbocker S History Of New York Complete books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Knickerbocker S History Of New York Complete versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Knickerbocker S History Of New York Complete books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Knickerbocker S History Of New York Complete books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Knickerbocker S History Of New York Complete books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Knickerbocker S History Of New York Complete books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Knickerbocker S History Of New York Complete books and manuals for download and embark on your journey of knowledge?

### **FAQs About Knickerbocker S History Of New York Complete Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.
