Les Femmes Dans Le Sport:

Femmes, Sport et Médiatisation en Europe/Women, Sport and Media Coverage in Europe ,2013-11-01 Environ 37% des citoyennes européennes déclarent pratiquer une activité sportive au moins une fois par semaine Un taux très proche de celui des hommes 43% Pourtant seulement 7% des événements sportifs diffusés aujourd'hui la télévision française concernent des compétitions féminines Des chiffres qui interpellent et qui illustrent la sous-médiatisation globale du sport féminin C'est ce constat qui a conduit le think tank Sport et Citoyenneté à réunir en 2010 un panel d'experts européens sur le thème de la médiatisation du sport féminin Cet ouvrage est le résultat de ces trois années d'échanges Il fournit plusieurs pistes de réflexion visant à améliorer l'exposition du sport féminin Parmi elles l'inscription de davantage de compétitions sportives féminines sur la liste des événements sportifs d'importance majeure se distingue Une proposition qui renforcerait la diffusion en clair du sport féminin et qui pourrait ainsi inspirer les nouvelles générations About 37% of European women admit they do not practise a sport at least once a week It is very close to the men's percentage 43% however only 7% of broadcasted sport event on TV concern female competitions This draws attention to and illustrates the general lack of media coverage of women's sport This is why in 2010 Sport and Citizenship decided to gather a panel of European experts on the media coverage of women's sport This book is thus the outcome of three years of exchanges and brainstorming It provides avenues for reflection aiming to improve women's sport exposure Among them it seems that adding more female competitions to the list of major sport events would be particularly pertinent Indeed this action would foster free to air broadcasting of women's sport and inspire the new generations **Politique de Sport Canada Sur Les Femmes Dans Le Sport** Canada.
