

A Letter To My Future Wife

My dearest future wife,

I don't yet know who you are or where you are, but my heart already longs for you. I know that when we finally meet, my life will forever be changed. I am writing this letter to you, not only to express my love for you but also to express my hopes, dreams, and promises.

Firstly, I want you to know that I love and treasure every part of who you are - both your strengths and weaknesses. I promise to be your companion and friend, even when the journey gets tough. I vow to always listen to you, to make you
