In Double Entry Book Keeping all the accounting transactions are first recorded in the primary and subsidiary books such as Journal Proper Purchase Register Book Purchase Return Register Book Sales Register Book Sales Return Register Book etc Then the respective entries passed in the above primary and subsidiary books are transferred posted to respective ledger accounts **Complete Physics** Stephen Pople, 1999 Stephen Pople one of

today's most respected science authors has created a totally new physics book to prepare students for examinations. Complete Physics covers all syllabuses due to a unique combination of Core Pages and Further Topics. Each chapter contains core material valid for all syllabuses. Further Topics at the end can be selected to provide the right mix of pages for the syllabus you are teaching. Key Points: Totally new book constructed from an analysis of all GCSE Physics syllabuses including IGCSE, CXC and O Level. Sets the traditional principles of physics in a modern and global perspective and uses illustrations with a worldwide context. Extra topics to give a truly rounded curriculum. Double page spread format. Ideal for those students intending to take physics to a more advanced level. *The Politics of Personal Law in South Asia* Partha S.

Ghosh, 2018-05-11 The viability of the Uniform Civil Code (UCC) has always been a bone of contention in socially and politically plural South Asia. It is entangled within the polemics of identity politics, minority rights, women's rights, national integration, uniform citizenry and of late global Islamic politics and universal human rights. While champions of each category view the issue from their own perspectives making the debate extremely complex, this book takes up the challenge of providing a holistic political analysis. As most of the South Asian states today subscribe to a decentralised view and share a common history, this study is an excellent comparative analysis of the applicability of the UCC. In this work, India figures prominently being the most plural and vibrant democracy as well as accounting for almost three-fourths of the region's population. This provides the backdrop for an analysis of the other states in the region. This second edition will be indispensable for scholars, researchers and students of law, political science and South Asian Studies. **Economic and Political Weekly**, 2004-03
