

My Ambition In Life

A man without any aim is like a ship without a rudder. Such a person is actually directionless. Different persons have different aims. My aim in life is to be a teacher. According to me, it is the best way to serve the nation. A teacher is entrusted with the task of making honest citizens who would be able to guide the nation in the right direction. I respect my teachers and want to be like them when I grow up. I shall impart the overall knowledge of education.
