Manage Your Money Like a F\*cking Grown-Up Sam Beckbessinger, 2019-04-18 You're going to earn plenty of money over your lifetime. Are you going to waste it on stupid crap that doesn't make you happy or let it buy your freedom and your most audacious dreams? We never get an instruction manual about how money works. Most of what we learn about money comes from advertising or from other people who know as little as we do. No wonder we make such basic mistakes. No wonder we feel disempowered and scared. No wonder so many of us just decide to stick our heads in the damn sand and never deal with it. In Manage Your Money Like a F\*cking Grown-Up Sam Beckbessinger tells it to you straight how to take control of your money to take control of your life. In this clear and engaging basic guide to managing your finances you will learn: How to trick your dumb brain into saving more without giving up fun. How to make a bona fide grown-up budget. Why you need to forget what you've learned about credit. How to negotiate a raise. Why buying a house probably won't make you rich. The one super simple investment you need. With helpful exercises, informative illustrations, also kittens, and straightforward advice, this book doesn't shy away from the psychology of money and is empowering, humorous, and helpful. The book you wish you'd had at 25, but is never too late to read.

**Kiplinger's Personal Finance**, 2002-11 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership, and many other personal finance topics.

*You Don't Need a Budget* Dana Miranda, 2024-12-24 Free yourself from the tyranny of toxic budget culture and build an ethical, stress-free financial life. Track every dollar you spend. Check your account balances once a week. Always pay off your credit card bill in full. Make a budget and stick to it. These are just a few of the edicts you'll find in virtually every personal finance book. But this kind of rigid, one-size-fits-all advice, usually written for and by wealthy white men and a few women with little perspective on the money struggles that many people face, is unrealistic and only creates stress and shame. As a financial journalist and educator, Dana Miranda is on a mission to liberate readers from budget culture, the damaging set of beliefs around money that rely on restriction, shame, and greed, much like diet culture does for food and bodies. In this long-overdue alternative to traditional budgeting advice, Miranda offers a new approach that makes money easy for everyone, regardless of the numbers in their bank account. Full of counterintuitive advice like how to use debt to support your life goals, how to plan for retirement without a 401K, and how to take advantage of resources that exist to support those left behind by the forces of capitalism, *You Don't Need a Budget* will empower readers to get money off their mind and live the lives they want.
