Manifested Sons of God Manual Curry Blake,2015-01-15      **COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology ,      The Manifested Sons of God** John Franco,2013-06 If you will search within yourself you will find that within you there is a hunger for the supernatural Not only to witness it but also to participate in its performance How many times have you thought that there must be more to life The work routines the laundry baskets filing taxes We all feel a need to find fullness and meaning rather than merely existing We reach out into the universe for a better state of being we feel an unidentified pull that is outside of what we are familiar with Worst of all is that we are Christians and we have heard so much about how life with God is supposed to be a kaleidoscope of extraordinary experiences The Bible is full of adventure danger intrigue and one story after another of how God s children stood out amongst the inhabitants of the earth We look at our stories only to see how commonplace and redundant our church goings and comings can be John Franco will open your mind to the ways of thinking that keep you in motion but offers much momentum With God inspired exposition on the inheritance of power and authority Jesus gave us Franco shows that living out our salvation in all its glory is as much about our choices as making the decision for Christ in the first place There will always be things that get us down but with the right perspective even the negative aspects of life can be utilized to further our growth The Almighty s forgiveness and healing work all things for our good Break out of the monotony and inactivity step up to the plate armed with God s word about who you are and what you can do then knock this life out of the park      **Post-Charismatic** Robby McAlpine,2023-08-14 Our weekly Charismatics Anonymous meeting is about to begin Join me will you It s like we re caught between a rock and a hard place We re continuationists We believe all the gifts of the Holy Spirit are alive and well and essential for today But we ve also been burned by unbiblical teachings spiritual abuse and the gaslighting subculture of pneuma fomo fear of missing out on the next great move of the Spirit We yearn for the Spirit s presence and power in our lives We don t want to throw the baby out with the bathwater but the water s teeming with spiteful pathogens It s time to roll up our sleeves and take responsibility for disinfecting the tub Toxic beliefs have produced spiritual casualties among Pentecostals and charismatics for far too long Our Kairos moment has arrived Let s hone the charismata of discernment

*Speaking in Tongues: A Critical Historical Examination* Philip E. Blosser,Charles A. Sullivan,2022-09-16 In three carefully researched volumes this ground breaking study examines the gift of tongues through 2 000 years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church s perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a foreign liturgical language Hebrew or Aramaic requiring bilingual interpreters In the first volume the authors establish that modern glossolalia far from being a supernatural gift enjoyed by certain believers since the time of Pentecost and undergoing a resurgence in modern times has no precedent in

church life prior to the nineteenth century They discuss why German theologians responding to the Irvingite revival coined the term glossolalia in the 1830s why Pentecostals between 1906 8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God instead of foreign languages useful for evangelism why Protestant cessationists believed miraculous tongues had ceased and why interpolated idioms like unknown tongues in Protestant Bibles were aimed originally at Rome s use of Latin *The Cure for Common Christianity* Tommy

Galloway,2007-04 Using a command of theology and a unique witty writing style Pastor Galloway outlines the formula to alleviate church apathy The cure is simple a full fledged return to the basics of Christianity Christian **The Christian**
