# Manifeste Pour La Justice

**Marcelo Gustavo Kohen**

## **Manifeste Pour La Justice:**

### **La Promotion de la Justice, Des Droits de L'homme Et Du Règlement Des Conflits Par Le Droit International**

Marcelo Gustavo Kohen, 2007 This Liber Amicorum is published at the occasion of Judge Lucius Caflisch's retirement from a distinguished teaching career at the Graduate Institute of International Studies of Geneva where he served as Professor of International Law for more than three decades and where he has also held the position of Director. It was written by his colleagues and friends from the European Court of Human Rights from universities all around the world from the Swiss Foreign Affairs Ministry and many other national and international institutions. The Liber Amicorum Lucius Caflisch covers different fields in which Judge Caflisch has excelled in his various capacities as scholar, representative of Switzerland in international conferences, legal adviser of the Swiss Foreign Affairs Ministry, counsel, registrar, arbitrator and judge. This collective work is divided into three main sections. The first section examines questions concerning human rights and international humanitarian law. The second section is devoted to the international law of spaces including matters regarding the law of the sea, international waterways, Antarctica and boundary and territorial issues. The third section addresses issues related to the peaceful settlement of disputes both generally and with regard to any particular means of settlement. The contributions are in both English and French. Pour la justice Henri Bourassa, 1912, *L'obligation de renvoi préjudiciel à la Cour de justice* Laurent Coutron, 2014-05-27. Amorc par l'arrêt Kbler un mouvement jurisprudentiel recent a conduit la Cour de justice concevoir divers mécanismes qui permettent aux justiciables de sanctionner directement ou indirectement une juridiction nationale qui a manqué son obligation de renvoi préjudiciel. C'est ainsi que les justiciables pourront solliciter la remise en cause de la chose décidée voire de la chose jugée ou encore chercher engager la responsabilité judiciaire de l'état. On pressent pourtant que les solutions très restrictives forgées par la Cour de justice sont supplantées par les dispositifs nationaux. Ceux-ci paraissent en effet plus aisés à actionner voire plus performants qu'il s'agisse de la violation du droit au juge légal comme en Allemagne ou en Espagne ou encore de l'introduction du dispositif législatif suédois. La présentation sans gal ce jour de près de vingt rapports nationaux permettra de mieux apprécier l'effectivité de la protection juridictionnelle dont disposent les justiciables via le renvoi préjudiciel. L'intérêt de cet ouvrage est d'autant plus vif que l'adhésion prochaine de l'Union européenne la Convention européenne des droits de l'homme se traduira vraisemblablement par une revitalisation des dispositions permettant de sanctionner une violation de l'obligation de renvoi préjudiciel. Cet ouvrage s'adresse principalement aux magistrats et aux avocats ainsi qu'aux universitaires spécialisés dans l'étude du droit processuel.
