Memo September 2014 Paper 2 English:

Community Translation Mustapha Taibi, Uldis Ozolins, 2016-02-25 Investigating an important field within translation studies Community Translation addresses the specific context characteristics and needs of translation in and for communities Traditional classifications in the fields of discourse and genre are of limited use to the field of translation studies as they overlook the social functions of translation Instead this book argues for a classification that cuts across traditional lines based on the social dimensions of translation and the relationships between text producers and audiences Community Translation discusses the different types of texts produced by public authorities services and individuals for communities that need to be translated into minority languages and the socio cultural issues that surround them In this way this book demonstrates the vital role that community translation plays in ensuring communication with all citizens and in the empowerment of minority language speakers by giving them access to information enabling them to participate fully in society

Responses to the 'Arabellions' Tanja Börzel, Assem Dandashly, Thomas Risse, 2017-10-02 This book studies the reactions by external actors including the European Union to the events unfolding in the Arab world beginning in December 2010 In particular contributors look at external actors attempts to balance their desire for stability with their normative principles toward human rights and democracy The book compares the action and inaction of the EU with other international and regional players including the United States Russia Turkey and Israel and assesses the response of these actors to the Arabellions events analysing changes in their approaches to the Arab region The contributions to this book answer three questions 1 How have external actors assessed the Arabellions and what role did they see for themselves in this context 2 Which goals and instruments did external actors pursue toward the MENA region In particular how did they deal with conflicting goals such as support for human rights and democracy on the one hand and concerns about security and stability on the other 3 How can we explain the varying responses of external actors to the Arabellions This book was published as a special issue of the Journal of European Integration

Decoding the Rise of China Tse-Kang Leng, Rumi Aoyama, 2018-05-17 This edited collection provides a synthetic analysis of the rise of contemporary China and its impact on the current global system from a range of Asian and Western perspectives Highlighting Taiwanese and Japanese viewpoints the book considers a macro integrated vision of the rise of China and examines the vital cultural factors which link domestic politics and foreign policy in the Sino Japanese relationship The book addresses key policy matters such as the internationalization of the Chinese currency and Arctic diplomacy and provides a key reference on contemporary Chinese foreign policy and the Sino Japanese relationship for students academics experts and policy makers in the field of Area Studies History and International Relations

Good for Society Martin Parsons, 2020-02-20 Good for Society Christian Values and Conservative Politics In Good for Society Martin Parsons has written a book well worthy of its sub title Christian Values and Conservative Politics Good for Society is a robust defence of both our Christian heritage and the Conservative Party Rt Hon Lord Tebbit CH former

Chairman of the Conservative Party Secretary of State for Trade and Industry and Secretary of State for Employment This is a magnificent detailed and authoritative examination of the relevance of Christian teaching to today's Conservative Party Even when you do not agree with a deduction you are still challenged Rt Hon Ann Widdecombe former Conservative MP and Shadow Home Secretary Dr Parsons brings together expertise in politics careful biblical study research in Islam and experience of life under the Taliban in Afghanistan He mounts a powerful case for identifying Christian values and view of the world in the development of the laws liberties and institutions of the English speaking peoples He also identifies these values in the approaches of Conservative politics and politicians These must be recovered in order to develop a narrative and values to address the threat of Islamism which seeks to impose sharia both subtly and violently Liberal secularists who might disagree with Dr Parsons need to demonstrate a more convincing case than he presents on all fronts Canon Dr Chris Sugden Oxford Centre for Religion and Public Life Christians in many parts of the world who are influenced by progressivism reject Conservative values on social policy by default They uncritically assume that big government redistribution of wealth and other leftist policies are closer to the teaching of Scripture while capitalism wealth creation individualism and other Conservative values represent greed oppression and injustice Dr Martin Parsons turns this myth on its head Exploring the great philosophical and historical traditions of Conservatism and expounding the teaching of the Bible he demonstrates that Conservatism is firmly rooted in the Judeo Christian worldview Dr Parsons has written the definitive book on Conservatism and Christianity I wish this book were written years ago It would have saved me from years of wandering in the desert of progressivism Rev Dr Jules Gomes theologian and political journalist

The United Kingdom and The Federal Idea
 Robert Schütze, Stephen Tierney, 2018-06-28 How should political power be divided within and among national peoples Is the nineteenth century theory of the sovereign and unitary State still fit for purpose in the twenty first century If not can federalism provide a viable alternative model This collection looks at federalism from the perspective of constitutional law Taking the United Kingdom as a case study Part One tracks the historical evolution of the Union and explores the various expressions of federalism that emerged between the eighteenth and twentieth centuries Part Two then assesses the experience of sovereignty sharing with other nations in the context of international cooperation Drawing on the expertise of the foremost commentators in their field The United Kingdom and the Federal Idea provides a timely and reflective evaluation of how constitutional authority is being re ordered within and beyond the United Kingdom
