Melbourne Good Food Guide 2007:

Icebergs Dining Room and Bar 2002-2022 Maurice Terzini, 2022-11-30 Celebrating 20 years of Icebergs Dining Room and Bar the food cocktails music art and personalities that have celebrated one of Sydney's most iconic restaurants Icebergs Dining Room and Bar is an icon standing sentinel over Bondi Beach and the powerful Pacific Ocean Despite the beauty the path from concept to restaurant was not always straightforward What Maurice Terzini was asking people to see wasn't there and he wanted to keep it that way The ocean was to be the hero the rest in essence was to remain invisible A place where conversations dominate the food where art music and beauty all share a place at that table Of course the food and drink have to be world class as do the design and service To be on par with that ocean you need to be irreproachable It's been challenging but it's also been the greatest of honours This book tells the story of the past 20 years of that custodianship There are tales of people personalities and the influences that shaped the idea a collection of our best known recipes from two decades of head chefs cocktails from our award winning bar and playlists from summers gone by See the restaurant through the eyes of acclaimed architect Carl Pickering peer into the minds of six of Australia's best chefs from Karen Martini to Monty Koludrovic read about why a great wine list is about so much more than the wine and then take a little taste of the indefinable magic Maurice's treatise on his signature rules of hospitality There is so much that goes into making a restaurant disappear much of it enclosed within these pages

Food and the Self Isabelle de Solier,2013-10-10 We often hear that selves are no longer formed through producing material things at work but by consuming them in leisure leading to meaningless modern lives This important book reveals the cultural shift to be more complex demonstrating how people in postindustrial societies strive to form meaningful and moral selves through both the consumption and production of material culture in leisure Focusing on the material culture of food the book explores these theoretical questions through an ethnography of those individuals for whom food is central to their self foodies It examines what foodies do and why they do it through an in depth study of their lived experiences The book uncovers how food offers a means of shaping the self not as a consumer but as an amateur who engages in both the production and consumption of material culture and adopts a professional approach which reveals the new moralities of productive leisure in self formation The chapters examine a variety of practices from fine dining and shopping to cooking and blogging and include rare data on how people use media such as cookbooks food television and digital food media in their everyday life This book is ideal for students scholars and anyone interested in the meaning of food in modern life
