Alexander, 2013-11 This book is a detailed manual of the e cigarette But along with hard facts personal experiences also provide the stimulus for this publishing effort I have been puffing cigarettes as long as I can remember and it was inevitable that I would not only contract a sinus but also go through a throat surgery Undergoing the medical procedure I was strictly warned not to smoke for a week Since I had no other choice I figured out that after 29 long years the time had come for me to say goodbye to smoking And then I saw an ad for e cigarettes on the internet The particular one I saw was an ego tank type and at that time I was simply confused as to what it really was But somehow I managed to order it along with 18 mg strength nicotine and I received it the next day I took the first puff and had an epiphany The product was clean and had a superb taste I was getting my dose of nicotine without taking in the bad stuff like tar and other carcinogens The best part is that I could smoke at home and anywhere else for that matter And so I have been using e cigarettes ever since All the material in this book comes from my personal experience In this 2nd Edition I updated the book and the information as this is an ever changing industry and new e cigarette devices are coming out every so often If I could I would ve left this e book a 10 stars rating for offering the most complete and informative account on the best electronic cigarette kits available on the market today This guide enlightened me and provided me a whole lot of knowledge that personally helped me pick the right e Cig kit and liquid for me Now that is stellar Thanks Shane Lynzki **I Want to Vape!** Donald Blakely, 2015-01-10 Get rid of your smoking habit once and for all Have you tried to quit smoking but failed You re not alone I tried for years Gum patches will power I tried it all and I still ended up with a cigarette in my hand But something had to change smoking was affecting my health A tight and painful chest difficulty breathing and raised blood pressure drove me to despair But out of despair came hope when I finally took the plunge and bought my first

electronic cigarette and some e liquid I have never looked back Not sure where to start or even what information to research This book will take you through every topic that you ll need to know from vaping equipment to health issues e liquid to ohms and so much more Confidently take that step into electronic cigarettes and vaping with this clear incredibly detailed and down to earth guide Fully understand how the equipment works Information to help you make informed buying decisions Know what to expect when vaping and remain safe Technical information broken down and explained 132 pages packed with information Get your copy today Available in Paperback and Kindle Look out for these Easy Vaping Guides titles from Donald Blakely VOL 2 BIGGER CLOUDS Rebuildable atomisers and mods beginners guide VOL 3 PG VG NIC OH MY DIY e liquid beginners guide
