**Truffaut** Antoine de Baecque, Serge Toubiana, 2000-09-04 Here is the definitive story of one of the most celebrated filmmakers of our time an intensely private individual who cultivated the public image of a man consumed by his craft But as this absorbing biography shows Truffaut's personal story from which he drew extensively to create the characters and plots of his films is itself an extraordinary human drama Le film de ma vie Raoul Grimoin-Sanson,1926 François Truffaut Dudley Andrew, Anne Gillain, 2013-04-22 A Companion to Francois Truffaut An unprecedented critical tribute to the director who in France wound up becoming the most controversial figure of the New Wave he helped found Raymond Bellour Centre National de la Recherche Scientifique This exciting collection breaks through the widely held critical view that Truffaut abandoned the iconoclasm of his early work for an academicism he had consistently railed against in his own film criticism Indeed if fever and fire were Truffaut's most consistent motifs the essays in this collection live up to his lifelong burning passion for the cinema Written by world famous scholars the essays exhaustively explore the themes and styles of the films as well as Truffaut's relationships to Andr Bazin Alfred Hitchcock and the directors of the New Wave his ground breaking and controversial film criticism and his position in the complex politics of French cultural life from the Popular Front to 1968 and after Angelo Restivo Georgia State University Although the New Wave one of the most influential aesthetic revolutions in the history of cinema might not have existed without him Fran ois Truffaut has largely been ignored by film scholars since his death almost thirty years ago As an innovative theoretician an influential critic and a celebrated filmmaker Truffaut formulated disseminated and illustrated the ideals of the New Wave with exceptional energy and distinction Yet no book in recent years has focused on Truffaut's value and his overall contribution to cinema deserves to be redefined not only to reinstate him in his proper place but to let us rethink how cinema developed during his lifetime In this new Companion thirty four original essays by leading film scholars offer new readings of individual films and original perspectives on the filmmaker's background influences and consequence Hugely influential around the globe Truffaut is assessed by international contributors who delve into the unique quality of his narratives and establish the depth of his distinctively styled work An extended interview with French filmmaker Arnaud Desplechin tracks Truffaut's controversial stature within French cinema and vividly identifies how he thinks and works as a director adding an irreplaceable perspective to this essential volume François Truffaut David Nicholls, 1993 Part of the Film Directors series this book looks at the career spanning 25 years and 21 feature films of Francois Truffaut the most popular French filmmaker worldwide Early Film Criticism of Francois Truffaut Wheeler Winston Dixon, 1993-02-22 Before turning to filmmaking Francois Truffaut was a film critic writing for Cahiers du Cinema during the 1950s The Early film Criticism of Francois Truffaut makes available for the first time in English articles that originally appeared in French journals such as Cahiers du Cinema and Arts Truffaut discusses films by such acknowledged masters as Hitchcock Huston Dymytryk and Lang but also
