Les Sudafricains Lignes De Vie Dun Peuple:

Médiations africaines - Omar Bongo et les défis diplomatiques d'un continent Elikia M'Bokolo, 2009-06-03 Peu d'observateurs des années 50 et 60 imaginaient que le Gabon Cendrillon de l'Afrique centrale française serait capable comme c'est le cas aujourd'hui de jouer un rôle de premier plan sur la scène africaine et de bénéficier d'une visibilité au plan international. De fait, ce pays est passés sans problème majeur du statut de colonie à celui d'un Etat souverain en une décennie de 1956-1966 qui fut décisive pour l'ensemble du continent. Ce gracieux deux transitions celle de l'émancipation et celle de la succession les deux tapes tant séparées par le coup d'état manqué de 1964. Fort de la stabilité du pays et des ressources liées la croissance économique Omar Bongo a déployé depuis 1967 l'écologie du continent africain une diplomatie de la paix volontariste. Cet essai évoque quatre décennies de conflits de tentatives de médiation qui furent parfois des succès parfois des échecs pour ce président controversé.

Les Sud-Africains Valérie Hirsch, 2015 Marqués par 360 ans de colonialisme et par la politique de l'apartheid les Sud-Africains sont encore influencés par les traumatismes du passé. Mais les jeunes qui grandissent ensemble sur les bancs d'école impulsent une nouvelle dynamique libre des préjugés racistes. La nation reprend des couleurs. En témoignent le succès de nouveaux entrepreneurs noirs indiens ou métis partis de rien la vitalité de la société civile qui continue de se battre pour l'édification d'une justice sociale pour tous la créativité artistique et le développement des échanges avec le reste du continent. La route est longue la jeune démocratie est menacée par la corruption la mal gouvernance et les multiples tensions liées aux inégalités sociales qui sont parmi les plus élevées au monde. Malgré cescueils les enfants de l'apartheid avancent et ont beaucoup nous apprendre dans un monde confronté à la montée de l'intolérance et des extrémismes.
