Le Coq De Bruyere By Michel Tournier

W. D. Redfern

Le Coq De Bruyere By Michel Tournier:

Michel Tournier, Le Coq de Bruyère W. D. Redfern, 1996 This book is a study of Michel Tournier's collection of short stories *Le Coq de Bruyère* but it is also much more Author Walter Redfern sees the stories as a microcosm of the whole fictional universe of Tournier widely regarded as France's premier living writer

Michel Tournier's Metaphysical Fictions Susan Petit, 1991-01-01 This study of the fictional themes and techniques of Michel Tournier reveals his profound radicalism as a social critic and novelist despite the seeming conventionality of his works Guided by Tournier's essays and interviews Petit examines his fiction in light of plot sources philosophical and anthropological training and his belief that fiction should change the world Close study of *Vendredi ou les limbes du Pacifique* *Le Roi des aulnes* *Les Météores* *Gaspard Melchior et Balthazar* and *La Goutte d'or* as well as the short fiction in *Le Coq de Bruyère* and *Le Medianoche amoureux* shows Tournier's revolutionary conception of plot structuring as he develops key themes whether religion sensuality or prejudice in more than twenty years spent reconceiving the nature of fiction

Short French Fiction John Flower, 1998 This volume provides new insights into some of the best examples of this form of writing in the twentieth century and also includes a chapter which explores ways in which the genre is evolving as the century draws to a close

Gilles Deleuze: Travels in Literature M. Bryden, 2006-11-28 Deleuze's writing is permeated with references to literature Despite asserting that he was not a literary critic Deleuze provides exhilarating and original interactions with texts This study offers in depth encounters between Deleuze's thought and the writers who fascinated him demonstrating the productivity of a Deleuzian frame of reference

Michel Tournier William J. Cloonan, 1985 Biografie van de Franse schrijver geb 1924

Michel Tournier Mairi Maclean, 2003

Audio Book Mikko Keskinen, 2008-01-01 Audio Book deals with the ways in which the auditory voices sounds noises is represented in postphonograph narrative fiction More specifically it examines how the various technologies enabling the transmission or storing of sound and voice are figured in selected prose works Drawing from contemporary American British French and German literature the author discusses these use of these technologies in Nicholson Baker's *Vox* Michel Tournier's *Tristan* Vox Heinrich Böll's *Murke's Collected Silences* Don DeLillo's *The Body Artist* Nick Hornby's *High Fidelity* and Sylvia Brownrigg's *The Metaphysical Touch* The texts foreground sound technologies the telephone radio tape recorder answering machine record player or counterintuitively e mail in their narration and manifest important aspects of audio in literature In prior criticism these texts have not been systematically read from media technological perspectives The sound technologies represented in the texts problematize the clear distinction between speech and writing or between natural articulation and its technological reproduction Audio Book suggests that literary writing is metaphorically conceivable as a transmitting and storing technology as an audiobook of sorts capable of recording upon writing and reproducing upon reading auditory information The sound technologies proper have also bearing on the narrative structure metaphors and style of each fictional work studied in Audio Book In addition themes such as identity

genre the nature of literary representation and the absence presence problem are brought to the fore on account of the technologies depicted *Michel Tournier* David Gascoigne,1996-03 This intriguing book provides an up to date introduction to the works of Michel Tournier arguably the most internationally influential French novelist of the last quarter century This study examines the nature of the attack which Tournier mounts on many of the norms and assumptions of Western culture and his often startling reinterpretation of the mythologies which have nourished and sustained it **Essays in French Literature** ,1990 **Michel Tournier, Vendredi, Ou, Les Limbes Du Pacifique** Margaret-Anne Hutton,1992 **Michel Tournier, La Goutte D'or** Michael Worton,1992 **Michel Tournier** Martin Roberts,1994 **Michel Tournier's Children** Christopher Anderson,1998 Best known in America for his 1970 novel *The Ogre Le Roi des aulnes* Michel Tournier is arguably France s most important living popular author Since 1980 however Tournier has focused on making his fiction accessible to children who now constitute his primary audience Dr Anderson focuses on the evolution of Tournier s writing style in terms of myth initiation and intertextual reference He breaks new ground by demonstrating that Tournier s later works introduce young readers to initiatic structures and a ludic approach to reading a key to the understanding of Tournier s adult works It shows too the crucial role that initiation and intertextual reference play in unifying all of Tournier s fiction

Twentieth-century Short Story Explication ,1989 **Paragraph** ,1987 **Short Story Criticism** Jessica Bomarito,2006-10 Presents literary criticism on the works of short story writers of all nations cultures and time periods Critical essays are selected from leading sources including published journals magazines books reviews diaries newspapers pamphlets and scholarly papers **American Book Publishing Record** ,1996 **L'Esprit Créateur** ,1989 **World Literature Today** ,1986 *Cyclopedia of World Authors* Frank Northen Magill,1997
