Développement durable et responsabilité

d'entreprise Philippe Laget, 2011-04-01 Le développement durable et la responsabilité d'entreprise sont des théories et des démarches encore peu matures sans normes ni référentiels tirés de leurs contextes culturels et des civilisations Clarifier les concepts réfléchir sur le fond des choses s'interroger sur la place de l'entreprise dans la cité font partie des prérequis à l'action La vingtaine de billets d'humeur ou de pamphlets ici présent propose de développer une vision politique du développement durable

Wise Men not so Wise Yvan Stefanovitch, 2025-08-28 The nine Wise Men of the Constitutional Council are responsible for censoring legislation that does not comply with the Constitution Yet the presidents of the Republic the Senate and the Assembly legally appoint these judges for nine non renewable years without requiring the slightest competence or experience Welcome to the madhouse These nine septuagenarians are former politicians or senior civil servants appointed simply for political cronyism In fact the work of these Wise Men is carried out discreetly by a dozen or so competent and experienced senior civil servants This stifling club imposes a terrible silence from both right and left on For the sake of convenience journalists and humorists have dubbed them the Wise Men ever since General de Gaulle created the Council This label is an illusion a chimera It masks the incredible and multiple dysfunctions of a veritable sinecure Our investigation reveals that 56% of the Wise Men's remuneration is illegal It depends on the executive which in turn produces the majority of the laws examined by the Council When at any time the State can withdraw this illegal allowance what independence and impartiality can we expect from those who are supposed to be the guarantors of the Constitution the rule of law and French freedoms
