## Les Robinsons De Lapocalypse:

**Les robinsons de l'apocalypse** Joël Moreau, 2015      *The Identity of John the Evangelist* Dean Furlong, 2020-01-23 This book examines the various Johannine narratives found in writings in the period from Papias early second century to Eusebius early fourth century Dean Furlong argues that the first major revision of the Johannine narrative was the identification of John the Evangelist with John the Apostle the son of Zebedee at the beginning of the third century This in turn initiated a process of reinterpretation as the previously separate narratives of the two figures were variously spun into new configurations during the third and fourth centuries This process culminated with Eusebius's synthesis of the Johannine traditions which came to form the basis of what is considered the traditional Johannine story Furlong concludes that in the earliest narrative found in Papias John the Evangelist was identified not with the Apostle but with another disciple of Jesus known as John the Elder      *Traditions in Transformation* Frank Moore Cross, 1981 Symbolism in the song of Jonah Greenspoon L J The origin of the idea of resurrection Purvis J D The Samaritan problem Collins J J Patterns of eschatology at Qumran Collins A Y Myth and history in the book of Revelation      The Best Books: Class A, Theology.
